THE GOLDEN RULE CO.

A manufacturer of Ladies' Ready-to-Wear said while here yesterday, "Winter hasn't started yet and our business has been the largest in the history of our house." This is phenomenal, but has been our experience in all lines of Winter wear, both men's and ladies', and in some lines it is almost impossible to get merchandise that was bought in the early part of the summer for our fall trade.

Evening Dresses

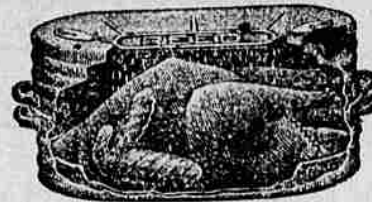

\$17.50. One of the swellest party dresses of the season; this is a silk mull overdressed with chiffon in Old Rose, Light Blue, Cream, Maise, etc., at this price they are exceptional values, and one of the neatest evening costumes we have seen.

Winter Coats

17.50. Black Pony Coat. This is a bargain; a beautiful style and the material is a rich black, rough or curly Very servicable. These coats are meeting with favor over anything else this fall, not only here but throughout the whole country.

\$5.00. This Misses' school coat is a black Chinchilla cloth, made with high collar and cuffs, well lined, heavy, warm winter garment, and the price is especially low on a coat of this kind.

\$7.50. We have just received a nice new line of Ladies' Wool Serge Dresses; these will have to be seen to appreciate their exceptional value—when you can go to a store and buy a dress made of material that will cost you anywhere from 60c to 75c per yard neatly and well made, at the above figure, it is cheaper than buying the material and having it made up. Come in and look this line of dresses over; the values will surprise you.
