Union Team Wins Deserved Victory Over Baker Second Team

Union, Nov. 12.—(Special)—Announcements for mayor and marshal are beginning to appear and may the best man or woman win in the fight. It is understood that two ladies are talking of trying for the marshalship. Why not try to be mayor as that would be easier than the other.

The parent-teachers' circle will meet tomorrow night. There will be a short program and after a short recess an election of officers for the ensuing year.

Members of the Catholic church are holding their forty hour devotion service. In spite of rain and bad weather they have a good attendance.

The pupils of the public schools are taking examinations this week and are very busy.

Union Victory Earned

The football game with Baker was a hard fought contest from beginning to the end. The Union team had the visitors beaten at the beginning, but nevertheless the Baker team is composed of fighters and they did not falter even when they saw that they were beaten. Jim Dobbin was the referee and gave his decisions with fairness, for which he is so well known. The wind blew a gale and at times the teams could not be seen for the clouds of dust that blew every way. Several spectacular plays were made by the home team and they had the best of the visitors all the way through. The game closed with seven to fourteen in favor of Union. The windy, blustery day kept most of the people at home and the spirited contest was not witnessed by a very large crowd. The Union boys are proud of their victory and are very anxious for other games.

Jack Fickle died at his home close to this city last week. Mr. Fickle was in the eighties and died from old age. His son went to call him and found him unconscious. A physician was called, but there was nothing that could be done for him. His faithful wife preceded him by a few months to the

Great Beyond. Jack Fickle was one of the early pioneers of this section. He crossed the plains in 1862, and settled on the farm on which he died, and on which his only living son is now living. This farm adjoins the city of Union. It is one of the finest farms in this section. For some time he made his living by freighting and other work and improving his farm all the time. He spent his last years on the ranch and enjoyed the fruits of his early labors. He was a kind neighbor and a good friend and is mourned by a large circle of relatives and friends.
