IT IS SERIOUS

Some La Grande People Fall to Realize the Seriousness of a Bad Back.

The constant aching of a bad back, The weariness, the tired feeling, The pains and aches of kidney ills, May result seriously if neglected. Dangerous urinary trouble often follow.

A La Grande citizen shows you what to do.

Mrs. E. W. Brookler, 2010 Third St., La Grande, Ore., says: "For thirty years my kidneys were weak and I left the trouble go on so long with out attention, that my system was filled with uric poison. I had terrible backache, and pains in my loins and sides. I was nervous, couldn't sleep well and felt all tired out. It was hard to do my housework, and I was miserable in every way. Several doctors treated me, but didn't seem to benefit me very much. A friend advised me to try Doan's Kidney Pills, and the first box gave me relief. By the time I had used three boxes, the backache had gone and my kidneys were in good shape. You may continue publishing the testimonial I gave for Doan's Kidney Pills, after I first used them. I certainly have faith in their curative powers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

THE Gossard CORSETS

They lace in front—as a result the abdomen is relieved of all pressure. Support is given to the organs and deep breathing is encouraged. They emphasize the long graceful line of the back, which artists agree is the most beautiful line in art.

They gently but surely compel a correct standing position and a graceful carriage. I invite you to investigate these wonderful corsets.

A trial fitting will please you. Prices \$3.50 to \$8.50.

A complete line always on hand of the different models and styles.
