BANANA CAR HAS QUALITY

GOOD GRADE OF BANANAS DISPLACE POOR ONES

After Having Sent Poor Grade to Oregon, Fields Produce Good Ones

Banana quality has gone up. Yesterday the La Grande Grocery company received a carload of bananas of good quality, whereas much of the banana offerings the past few weeks have been inferior because of a poor lot being sent out to Oregon points from the growers early in the fall. Yesterday's shipment is said to be very choice and will give the merchants a good line to offer the holiday buyers. Prices are unchanged.

A year or two ago carload shipments of bananas to La Grande were unknown, and in 1913 there have already been several carloads sent in here.
