

The Geo. A. Anderson

Company of Boise and Caldwell, Idaho

Now operating large department stores in both of these cities, have leased S. H. Dalton's old stand and will open a first-class Woman's Apparel Store, carrying everything in the apparel and furnishing line for women and children. The reason for opening this store at this time is:—

Our New York representative contracted for several factory sample lines some two months ago these goods to be delivered November 1st. On account of the mildness of the weather the Fall business has fallen short of our expectations. Hence we are overstocked on Women's Furs, Coats, Dresses, Skirts, Waists, Sweaters, Kimonas, Petticoats, Etc.

This Store will Open Wednesday November 19

With over \$20,000 worth of right up to the Minute Winter Apparel.

Our aim is to sell this stock quick and drastic measures must be taken to force quick clearance. Prices only can do this. Everything to be offered at from 50 to 65c on the dollar; in many instances less than wholesale manufacturer's price. Nothing reserved. Everything marked in plain figures. Supply your winter needs with good warm wearings at give-away prices.

URGES BIBLE FOR STUDENTS

Union, Nov. 17.—(Special)—The parent-teachers circle met a few nights ago at the high school auditorium. The meeting was called to order and the audience was treated to music by Miss Clarice Brashear and Miss Margaret Callihan. These two young ladies are too well known to the music loving public of Union to be introduced again. Mr. Martin gave an interesting talk on "The Use of the Bible in the Public School." He took the view that as a literary production of unexcelled merit the educators could not afford to pass it by. Saying that "at all times and all places the Bible is the first in literature. There is no other code of morals to take its place. Bible study is on the increase instead of decrease, as some would have us believe. That different states are beginning to recommend that the Bible be used in the schools." Mr. Martin's remarks were fine and well received and the hearty applause showed that the audience was in sympathy with him.

Superintendent Smith's remarks on the modern use of the schoolhouse in the social life of a community" was very practical and can be used in any school district today. That the school house is used about one-third as much as it should be is a matter of common knowledge. We hope to see some of Mr. Smith's suggestions put to use in our own town this year and see how they will work out. Miss Eleanor Davis concluded the program with an instrumental solo which received hearty applause.

Some of the young men of the town are forming a club. It will be for social purposes and quite a number have signified their willingness to join. They have rented rooms and will hold meetings quite often.

Born—In Union, Nov. 11, 1913, to Mr. and Mrs. E. T. Foster, a son, Mr. George Foster feels quite aged since the arrival of his first grandson.

Died—At his home at Telocaset on Nov. 11, 1913, Thomas Foster, aged 80 years, 2 months and 27 days. The remains were buried from Cook Bros.' undertaking parlors on Nov. 13, at 2:30 o'clock by the Masonic lodge, of which he had long been an honored member. Tom Foster was a native of Illinois and came to California in the early days. He made the trip around the Horn in a ship. He followed mining for several years and then came to Oregon in 1862. He worked at mining for some time and in 1879 ran a butcher shop in La Grande for some time. He was married in 1869 to Miss Hannah Reeves, who survives him. To this union five children were born, one of whom preceded his father to the better land. Two of the children were present at the funeral. One in Montana and the other in Arizona were unable to be present. Mr. Foster has lived in Grande Ronde valley since 1864 and in Union and vicinity since 1881. He bought poultry and eggs for Hot Lake for some years, until failing health compelled him to desist. He moved out to a farm close to Telocaset some time ago, where he passed away. Many friends and relatives mourn his demise.

ONE LETTER MEANS MUCH

Mary Banton Now Signs Her Name Benton

Ladd Canyon, Nov. 17.—(Special)—Miss Mary or Mamie Banton, as she was generally known, surprised her many friends and neighbors when she became the bride of Asa Benton on Thursday, Nov. 6th at 4 o'clock, the wedding ceremony being performed by Justice of the Peace Arthur C. Williams at La Grande. Mrs. Benton is the second daughter of Mr. and Mrs. William Banton and was born and has lived at Ladd Canyon all her life. Her husband formerly resided in Idaho and is the prominent son of Mrs. C. A. Caloway, who has a nice farm home south of La Grande. Mr. Benton superintended all the grading for the new railroad which was built through Ladd Canyon some time ago. Mrs. Benton only had one letter changed in her name and it is the wish of her many friends that her married life will be changed as little in regard to happiness. She had a comfortable home and was a happy-go-lucky girl. They are comfortably located on Washington avenue in La Grande.

Keith, the youngest son of Mr. and Mrs. Tom Bates, who has been quite ill with the measles, is getting along nicely now.

Mrs. John McCauley returned home from La Grande yesterday evening, where she visited a couple of days with relatives and friends.

Mrs. Charles Dougherty and baby daughter Dorothy Irene returned to their home at Enterprise Sunday after a two weeks' visit here with her parents, Mr. and Mrs. Dick Peebler. Mrs. Peebles is recovering from her recent illness.

Best Cough Medicine for Children.
"Three years ago when I was living in Pittsburg one of my children had a hard cold and coughed dreadfully. Upon the advice of a druggist I purchased a bottle of Chamberlain's Cough Remedy and it benefited him at once. I find it the best cough medicine for children because it is pleasant to take. They do not object to taking it," writes
