HIGH GRADE CONCERT COMING

The Neighborhood club has given its endorsement to the Stelzel quartet. At a meeting of the club held recently the Stelzel quartette lyceum attraction was one topic of discussion. The ladies had been asked by the committee of the Y. M. C. A. having charge of this number for their co-operation. The response was gratifying. Their hearty support was promised; first because the Y. M. C. A. was in charge and second, because they believed the concert company which was being brought here was of a high class character and should be backed by them as an organization.
