CATTLE MET GET PROFITS

MANY NORTH POWDER FEEDERS ARE JUBILANT

Hogs as Staple as Wheat and Stockmen of District Prosper

North Powder, Nov. 20.—More cattle are being fed in the vicinity of North Powder this winter than for the past twenty years. The high price of beef and the abundant feed raised here explain the reason. While the investment in the stock is large the returns from the feed and work are bound to be also large.

Among feeders who are feeding bands close to this city are: Willis & Peterson, 414 head; Charles Mays, 50 head; M. A. Lewis, 300 head; Dalton ranch, 300 head; George Young, 100 head; William Hutchinson, about 500 head; J. W. Chenault, 90 head.

Nearly everyone of the above named ranchers always has a string of milch cows for the family use and for the sale of butter fat in addition to the stock cattle.

Sheep also are being wintered in considerable numbers here. Robert Stansfield has a large band and the Lee brothers have more than their usual number in winter quarters. Oscar Jacobson is dealing in a good many sheep this season as is also A. B. Vandecar.

Hogs are as staple as wheat in this section. This year J. E. Lindley is feeding 200 head; A. W. Peters, 200 head; Davis Bros., about 500 head; Grant Dalton, 150 head, and William Hutchinson 150 head, besides many smaller raisers are getting hundreds of head ready for market.

Surgeons in Session

NEW YORK, Nov. 19.—Prominent surgeons from Boston and other New England and New York State cities today attended the opening sessions of the annual convention of the New York and New England Association of Railway surgeons. The convention will continue tomorrow.

Cafeteria Temporarily Open

Pat Foley has rented the cafeteria and will conduct an eating establishment during teachers' week and farmers' week. It will not be run on the order of the grill. A 40-cent meal will be the only meal served. Pat is doing this to take care of the crowds that will be here during those weeks.

Anyway Mrs. Pankhurst was forced to admit that the Statue of Liberty carried a bigger torch than she ever did in her palmy days.

General Booth in New York

New York, Nov. 19. — General Bramwell Booth, head of the Salvation Army, and son of its founder, returned to New York City today from Chicago and Winnepeg. A great delegation of local officials met General Booth at the station. The English leader will be accorded a great public reception tonight preceding an officers and local officers council in Memorial Hall. General Booth will remain here until next Wednesday when he sails for France.

Rome to Pay Pensions

ROME, Nov. 19.—Announcement was made today by Premier Giolitti that in the very near future the government will be able to provide for an old age pension for government employees out of the profits of the government's new monopoly of life insurance. This monopoly went into effect January first. Since then the government has issued 22,119 policies for a total insurance of nearly $4,000,000. The law provides for the creation of an old age pension fund out of the profits.

M. D. Reynolds says:—

This is to certify that I have been a great sufferer from Rheumatism since 1894. Contracted the disease while working with a snow plow on the railroad. For several years I have been obliged to use crutches a great part of the time. Having used three boxes of the Meritol Rheumatism Powders, I have thrown away the crutches and am now almost fully recovered. tI sertainly has done wonders for me and I heartily recommend it.
