LA GRANDERS VISITING SCHOOL

Corvallis, Nov. 22.—(Special)—E. Bush of La Grande entered college

this week for work in the civil engineering course.

The O. A. C. Glee club will be in La Grande some time in February. Frederick Holmes of Enterprise and Lantz of Cove are among the yodlers

who will represent the college this year.

Miss Elizabeth Ryan, a former Union teacher, paid a week end visit to the Union girls at Waldo hall Sunday.

The journalism course finally was added to the curriculum last Thursday when 78 students registered for the course. The class will be led by Prof. Eric W. Allen, head of the school of journalism of the university, who has consented to lecture here on Thursdays of each week.

For the first time in the history of the college the secondary student of the college have organized. They have decided to wear a cap of different color than that worn by the regular freshmen. The election for officers is dated for next Thursday. Among those running for the executive office are "Nick" Snider, Mr. Rothenberg and Mr. McKay.

Gen. Finzer of the O. N. G. and Col. Martin of the Oregon division of the national guard inspected the college regiment Monday. Both men spoke to some extent on the standing of the college cadet corps near the top rung among the regiments of similar land-grant institutions. Gen. Finzer in particular, prophesying that O. A. C. would head the list in the near future.

A college orchestra was organized this week. This is the first time the college has had an orchestra in the past eight years. Up to the present time twenty-one pieces have reported for rehearsals.

The agricultural club fair will be held on Saturday, January 17, at the close of "Farmers Week." The members of the club are at work arranging the program and gathering the exhibits for a show that will stand out as the most unique exhibit in the history of the institution.

The editor and the manager of the Oregon Countryman have been granted a salary of \$75 per term. This is the first time that these officers have been allowed any remuneration other than expense money since the launching of the magazine.

W. W. Howard spoke before the Ag. club Wednesday on "Eastern Oregon Grain Fields." Mr. Howard spent his last vacation in the harvest fields of Morrow Co. In his discourse he stated that fully half of eastern Oregon was abandoned land on account of being overrun with weeds and the only paying proposition would be stock raising. The only thing he mentioned in favor of this section was the high rate of wages for manual labor.

If You are a Drinking Man

You had better stop at once or you'll lose your job. Every line of business is closing its doors to "Drinking" men. It may be your turn next. By the aid of ORRINE thousands of men have been restored to lives of sobriety and industry.

We are sure that ORRINE will benefit you that we say to you that if after a trial you fail to get any benefit from its use, your money will be refunded.

When you stop "Drinking," think of the money you'll save; besides, sober men are worth more to their employers and get higher wages.

Costs only \$1.00 a box. We have an interesting booklet about ORRINE that we are giving away free on request. Call at our store and talk it over. O. E. Silverthorn, corner Depot and Adams.

Notice to Contractors

Bids will be received for the excavation of the basement for the Y. M. C. A. building, the rough work to be done this fall and winter at the pleasure of the contractor and the finishing work to be done during the month of April, 1914. Bids should be at certain price per cubic yard and the yardage to be determined by survey. Details can be obtained from the architect, Milton S. Block. Bids to be handed to W. H. Bohnenkamp on or before November 24, 1913.

At same time bids will also be received for the delivery of the sand and gravel for the construction of the building.

W. H. BOHNENKAMP,
Chairman of Building Committee.

M. D. Reynolds says:—
This is to certify that I have been a great sufferer from Rheumatism since 1894. Contracted the disease while working with a snow plow on the railroad. For several years I have been obliged to use crutches a great part of the time. Having used three boxes of the Merito Rheumatism Powders, I have thrown away the crutches and am now almost fully recovered. It certainly has done wonders for me and I heartily recommend

Cut Prices Bring Business!

HUNDREDS OF PEOPLE ARE NOW BUYING—IT'S WELL WORTH WHILE TO WALK A FEW BLOCKS OUT OF YOUR WAY TO TRADE AT THE OLD RELIABLE STORE.

Since we have made a genuine cut in prices on nearly every article in the store, our sales have more than doubled—we also notice a better class of trade coming to trade on Fir Street. This is just as it should be; our low expenses are enabling us to make a big cut in prices and still make some money on our year's business. And the high cost of living and scarcity of money make it well worth while for the average man to walk a few blocks out of his way to save \$2.00 to \$10.00 on a better Chair or Metal Bed, Spring or Mattress.

AXMINSTER AND WILTON RUGS

Never a better value offered than we are showing in this city this week For Cash than in these particular RUGS. Positively I will save you \$7.50 to \$10.00 each on a 9x12 rug and substantial reduction in other qualities.

METAL AND BRASS BEDS

We will sell any Bed in the store at actual Cost for the next five days FOR CASH ONLY, and the line comprises about 50 patterns that range in prices from \$2.00 to \$35.00.

Don't Guess Come to the Store and I will show you.
