Subscribe for Magazines for Friends

Magazine subscriptions make a pleasing gift, one that for twelve months continues to be a reminder of the giver.

A gift of a magazine often proves a perfect solution of some puzzling gift problem.

Any subscription of this character should be placed with us at once so as to not delay receipt of the January issues.

We take subscriptions for all magazines at the lowest prices.

Alcohol Pills—Not Burning Only

Cubes of "solid alcohol" are coming into use in Germany and to some extent in America for cooking, heating, curling irons or small amounts of water, and for many purposes which require a small amount of heat for a short time. Put up in pills or small metal containers, solid alcohol is much more convenient than a sheet of metal or asbestos without a burner and the user knows just how much heat to expect.
