## Skin Sufferers—Read!

We want all skin sufferers who have suffered for many years the tortures of disease and who have sought medical aid in vain, to read this.

We, as old established druggists of this community, wish to recommend to you a product that has given many relief and may mean the end of your agony. The product is a mild, simple wash, not a patent medicine concocted of various worthless drugs, but a scientific compound made of well known antiseptic ingredients. It is made in the D.D.D. laboratories of Chicago and is called the **D.D.D. Prescription for Eczema.**

This is a doctor's special prescription—one that has effected many wonderful cures.

The effect of D. D. D. is to soothe instantly, as soon as applied; then it penetrates the pores, destroys and throws off all disease germs and leaves the skin clean and healthy.

We are so confident of the marvelous power of D. D. D. that we have taken advantage of the manufacturers guarantee to offer you a full-size bottle on trial. You are to judge the merits of the remedy in your own particular case. If it doesn't help you, it costs you nothing.

D. D. D. Soap is made of the same healing ingredients. Ask us about it.

## BALD AT 35

Cleanse the Scalp; Nourish the Hair and Never Grow Bald. Use Parisian Sage

Don't grow bald at 35 as thousands of men do—yes! and women also. Failure to keep the hair properly nourished and the scalp free from dandruff is one of the main causes of baldness.

If your hair is thinning out immediate action is necessary. Parisian Sage is just what you need to remove dandruff, stop falling hair and itching scalp and make the hair strong, beautiful and vigorous.

This delightful and refreshing hair-tonic, which is now sold at druggists and toilet counters in 50 cent bottles, is rigidly guaranteed. If Parisian Sage does not give complete satisfaction, Newlin Drug Co. will return your money.

Parisian Sage surely supplies hair needs. The first application removes dandruff, invigorates the scalp and puts life and beauty into thin, dull and faded hair.

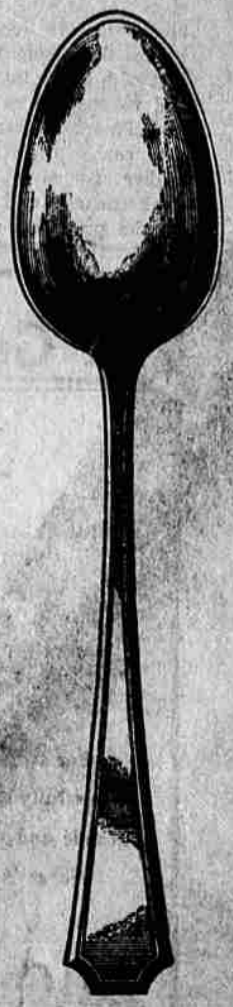

### COFFEE

Suppose every morning, an expert were to roast for you some very fine coffee—fresh for your breakfast cup; it could be no finer than when you take the coffee from a just-opened aroma-tight can of Schilling's Best.

Is that true? If you doubt it after testing the coffee: moneyback at your grocer's.

It's easy to buy and easy to try.
