NEEDED FOODS ARE PLENTIFUL

BIG RUSH ON DELICACIES BEGINS TODAY

No Apparent Likelihood of Shortage of Any Holiday Foods

Ample stock of all the principal needs for the Thanksgiving dinner will be available even for the late shoppers it seems today. Cranberries sold like hot cakes all yesterday and today, but no shortage is apparent unless the last hour rush will be terrific. Birds of all descriptions seem plentiful with no particular changes in prices and tonight will no doubt find all the necessities of the Thanksgiving dinner stored away in the housewives' bins and larders.

COFFEE

Roasted coffee dribbles its flavor from the moment it leaves the roaster; unless, like Schilling's Best, it is promptly packed in aroma-tight cans. Any other way you don't get all you pay for.

Schilling's Best is even fresher; cleanly granulated—moneyback.

The front-facing principle (originated by The H. W. Gossard Co.) has accomplished much for the comfort and convenience of woman's dress. Of even greater importance than front lacing, however, has been the genius displayed in the actual designing and making of Gossard Corsets.

So outstanding and thorough has been this work that, great as the front lacing principle is, the Gossard method of design and manufacture transcends it, and the two combined occupy a position so commanding that they are now regarded as an international vogue. Regardless of the cost—every Gossard Corset conforms to but one standard in style, workmanship and wearing service.

A complete line of the new fall models and sizes always on hand. Prices \$3.50 to \$8.50.
