Pathe Party En Route Through Glacier National Park

Pathe Weekly Camp in Glacier Park

To include the wonderful scenery of Glacier National park in the new "See America First" series, Ralph R. Earle, camera man for the Pathe Freres company, recently made a trail blazing tour of unexplored regions in the great national playground. Under the guidance of Tom Dawson, a veteran guide of the Rockies of northwestern Montana, the Pathe man secured some unusual pictures of the waterfalls, mountains, glaciers, rivers and lakes, which make the park more famous for its scenic wonders than the Alps of Switzerland. Always seeking something new and marvelous for the patrons of motion picture theaters all over the world, the Pathe company has sent its northwestern representative into Glacier National park on several trips. Leaving the big hotel at Glacier park station, the Pathe party made a trip over Mount Henry, where a trail is now being built, and came out near Two Medicine camp, one of the beauty spots of the park. For a week the Pathe party, with its pack animals, camping outfit and guides, blazed new trails into remote regions, and beautiful waterfalls, ice fields and picturesque mountain ranges were filmed. The picture under the caption "Blazing Trails in Glacier National Park" was recently released by the Pathe company and is now being shown all over the United States.

Avoid the Bronchitis Coughs of Early Fall.

The changeable weather of early fall brings on bronchitis and a hard cough that is wearing on the system, and seems to tear open the bronchial tubes and mucus lining of the throat. Use Foley's Honey and Tar Compound promptly. For it will soothe and heal the inflamed mucus lining, relieve the cough quickly, and help to expel the cold. It contains no opiates. Get the genuine in the yellow package and refuse substitutes. A. T. Hill.

The front lacing principle (originated by The H. W. Gossard Co.) has accomplished much for the comfort and convenience of woman's dress. Of even greater importance than front lacing, however, has been the genius displayed in the actual designing and making of Gossard Corsets.

So outstanding and thorough has been this work that, great as the front lacing principle is, the Gossard method of design and manufacture transcends it, and the two combined occupy a position so commanding that they are now regarded as an international vogue. Regardless of the cost—every Gossard Corset conforms to but one standard in style, workmanship and wearing service. A complete line of the new fall models and sizes always on hand. Prices \$3.50 to \$8.50.
