McKENNON-HILL COLLIDGE FARM BUYS MACHINE

Caterpillar Plow to Be Used on Big Farm Near Union

C. W. Bunting makes the announcement that another caterpillar engine is to be delivered in La Grande for the spring plowing. The new machine is to be used on the farm recently purchased by Floyd McKennon and A. T. Hill and will be of the largest type made, namely, a 60-horse power. Manufacturers of this engine contend that the cost of operation runs in the neighborhood of 62 cents an acre. It is claimed that some of the engines have plowed as many as 40 acres a day, and that they have reduced the cost of farming materially.
