ROSE AINSWORTH TO ENTERTAIN LA GRANDERS TOMORROW NIGHT

Miss Rose Ainsworth, in "A Bachelor's Honeymoon," at Arcade, on December 10.

That beautiful and charming little actress, Rose Ainsworth, will again

be seen as Juno Joyce" in "A Bachelor's Honeymoon," at the Arcade tomorrow night.

Miss Ainsworth is wearing some swell gowns this season and she will win her way right into the hearts of those who have not seen her, while those who have seen her have not forgotten. Miss Ainsworth is young and has risen rapidly in her profession, until now she is a great favorite from coast to coast. Sparkling and scintillating like a sunbeam, her audiences watch every graceful movement—she smiles and they smile—she laughs and they laugh—she sings, they hang upon every word, and when the last note dies away, they are as she leaves them, in smiles or in tears. The entire company supporting Miss Ainsworth are a galaxy of stars radiating around her as the central orb. Would that there were more Rose Ainsworths in this derary old world—more light and brilliancy and happiness.

DON'T DOPE WITH ALCOHOLIC TONICS

This is honest advice for you who are run down and sick—don't dope with alcoholic "tonics." We're backing this advice with our personal guarantee of satisfaction to you, or your money back.

There are a lot of so-called "tonics" on the market that do not depend for their short-lived popularity on any real merit they possess, but upon the fact that the alcohol in most of them and the dangerous or habit-forming drugs in some of them give a few moments' exhilaration and liveliness after a dose is taken. After a while, even this effect ceases to take place, and the unfortunate patient, worse off than before, turns for relief to something else.

Don't dope yourself with such stuff. Take real medicine that will do you real good, that will supply to your system the strengthening, disease-relieving and disease resisting ingredients it needs. Take Rexall Olive Oil Emulsion, and get well and keep well. It is a real blood and nerve-food medicine. It contains no alcohol nor any other dangerous or habit-forming drugs, but is made entirely from ingredients needed to build up the strength and health of the ailing.

You who are weak and run-down, and you who are apparently well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength—better spirits, glowing health.

Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies—is for freedom from sickness of you and your family. Pleasant-tasting—unlike the cod liver oil preparations—you'll be as enthusiastic about it as we are when you have noted its strengthening, invigorating, building-up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain. Hill Drug Store.

A pile remedy that is entirely different from anything else, used both externally and internally, acting on the blood as well as on the disease, a remedy without a superior. It is Meritol Pile Remedy, made and guaranteed by the American Drug and Press Association. Newlin Drug Co.
