## More Women suffer from Kidney Trouble than Men.

Is often mistaken for Female Weakness, but yields to the use of Foley Kidney Pills.

A prominent physician in a big, flourishing city recently said: "Do you know that there are more women suffering from kidney trouble than men? And more than that, so many of the women who come to me thinking they have female trouble are in reality suffering from kidney trouble." When they take Foley Kidney Pills for their kidneys and bladder, their troubles are soon cured.

Nervous, played out, tired women, constantly dragged down with pain, suffering from weak backs, sleepless, without appetite and the victims of headaches, use Foley Kidney Pills without fear, and with entire confidence in their upbuilding and curative qualities. The change to health,

use of Foley Kidney Pills so sure as morning follows night. And all because Foley Kidney Pills are one of those good, honest and reliable medicines that for a little cost can do big things for your benefit. Foley Kidney Pills begin to work for you just so soon as you take them, and even the first day's treatment will have a good effect. Obey the impulse to take them NOW, and in 24 hours you will be on the up grade. Neglect yourself and you are paving the way for serious complications and maybe a dangerous illness. Use Foley Kidney Pills, which will bring you back to sound health.

## ACADEMY GIRL WINS HONORS

Miss Eileen Peare, of this city, has received a teacher's certificate in the Palmer method of penmanship, which entitles her to teach in any state in the union. Miss Peare has taken her course in the Sacred Heart academy of this city, and a couple of years ago became quite proficient in the art of making fancy scrolls. She won her certificate then and since has been taking the higher methods and devoting time and study to perfection of her work. When the Palmer method teacher, Miss Jones, was in the city attending teachers' institute two or three weeks ago she conducted an examination. Miss Peare took her examination and submitted work for an examination from Mr. Palmer, who himself returned her manuscript without comment and with the diploma, which means that she has taken the highest honors possible.
