We like to give suggestions for Christmas, so here's a good one. If your cash is short and wish to make a big showing, get him or her a sack of "Patent" Flour, \$1.30. It's a big package, and it's good too. Eat it three times daily; it lasts for many meals and each time you eat or see the sack you think of the dear one who gave it. If you give the \$1.30 in cash it's forgotten soon. Ask for "Royal Patent," made-at-home kind.
