feeds them. Unless both nerves and blood are in health, you can't be well. Common sense also demands that the medicine you take serve both the above purposes—both tones and strengthens the nerves and nourishes the blood.

Such a medicine is Rexall Olive Oil Emulsion, the ideal nerve and blood and body builder. It is a real nerve food tonic—not an alcohol beverage, as many so-called "tonics" are. Rexall Olive Oil Emulsion does not contain a drop of alcohol, nor any dangerous or habit-forming drug. It puts new life and health and strength into run-down systems, because every ingredient in it is put in for that purpose, and not to merely stimulate. Unlike alcoholic "medicines," it does not show its effects in a renewed liveliness immediately after taking a dose. The effects begin to be felt in a few days, however, and they last, because the whole system has been strengthened and health is being renewed. If this is not your experience, we want you to come back for your money.

You who are weak and run-down, and you who are apparently well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well strong. For the tired-out, run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength, better spirits, glowing health.

Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies—is for freedom from sickness of you and your family. You'll be as enthusiastic about it as we are when you have noted its pleasant taste, its strengthening, invigorating, building-up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain. Hill's Drug Store.
