

Oregon Is Well Represented At United States Land Show

CHICAGO, ILL.—Oregon stood out prominently at the United States Land Show during the three weeks it was held at the Coliseum, Nov. 20 to Dec. 8. Aside from the bountiful displays of the state's products in the Oregon booth and the mammoth exhibit of the Great Northern Railway on the main floor, the Great Northern Railway's exclusive lecture hall proved a telling medium of acquainting land show visitors with the state's wonderful resources, both agricultural and horticultural. This lecture hall, consisting of one-half of the Coliseum annex, had a seating capacity equal to that of a good sized theater. Motion pictures and stereoscopic views were used to illustrate the lectures of the Great Northern Railway's experts, and besides G. C. Chapman of the Portland Commercial club other Oregon men were given the use of this lecture hall daily through the courtesy of Louis W. Hill.

Never before has there been such effective missionary work done among homeseekers for the state of Oregon. Scores of jars of fruits, large sections of transparencies showing scenes in the fruit growing districts of Oregon and great varieties of fruits in their natural state were exhibited in the huge booth of the Great Northern Railway. The dry farming sections of Oregon were not overlooked either, many astonishing varieties of grasses and other land products being exhibited. They attracted much attention.

Colonel Bill Hanley visited the show and occupied the platform of the Great Northern Railway's lecture hall on Oregon day. Colonel Hanley always is a big drawing card in Chicago, and standing room was at a premium when he gave a characteristic talk on the great possibilities his home state holds out to the homeseeker. Louis W. Hill accompanied Mr. Hanley from St. Paul to Chicago to attend the land show.

Have used Doan's Kidney Pills;
Have proved their worth in many
tests.

Here's Union testimony.
Charles Adams, painter, Union,
Ore., says: "Like a great many people
who follow my occupation, I had at-
tacks of kidney complaint and back-
ache. I felt miserable while the at-
tacks lasted. Several years ago I
heard about Doan's Kidney Pills, and
got a supply. I have kept them on
hand ever since. Whenever I feel
that my kidneys need a little toning
up and when I am troubled by back-
ache, Doan's Kidney Pills give me
prompt relief. It is a pleasure for me
to confirm the statement I have given
before, praising Doan's Kidney Pills."

CLUB SMOKER NEXT MONDAY

SECOND ANNUAL MEETING TO
BE HELD THEN.

Many Matters of Importance to be
Transacted by Nimrods.

Next Monday the 80 or 90 mem-
bers of the Wing, Fin & Fleetfoot club
of this city will be called together
in their second annual meeting to
elect officers. Following the business
session there is going to be a smoker.
Because the club has had a success-
ful initial year, a large attendance
is expected and the policy for the
coming year will be outlined. Dr.
Geo. W. Zimmerman is the retiring
president and under his regime,
the club prospered well. A united rabbit
drive whereby 450 rabbits were slain
was the big club undertaking of the
year in a sportsman's way, but dur-
ing the year the members attempted
to enforce the game laws with the
same rigor that the game warden does
and not an arrest of a member of the
club has been made this year for
game law violation. They not only
live up themselves but on various oc-
casions saw that grouse and other
game birds were protected until the
lid was off. Systematic guarding was
done. All fish distributed to the
streams this year was under direction
of the club.

Cue Artists to Contest Tonight.

There is going to be an interest-
ing pool game this evening at the
Club, commencing at 8:30 p. m.
"Speed" Humphries and Ellsworth
Ellis will play Don McLachlin and
Ike Crawford in a 250 point game.
This is the first match of the season
and much interest is attached to the
game. The public is invited.

LA GRANDE WINS AGAIN

Decisive Victory Scored at Cove By
Local Team Last Evening.

La Grande high came a notch near-
er to championship last evening by
trimming the Cove team 38 to 18.
The Cove floor is small and slick,
and it took the visitors some little
time to get going under the new
conditions. Once acquainted with
conditions, however, the rest was
easy.

Union Team Wins.

The Cove Athletic association met
the Union High school team in Union
last night and an exciting game was
played. The final score was 35-9 in
favor of Union. Ad Goodbrod of
Union, was the stellar performer in
the game.

Quail Dying of Hunger.

Trainmen have brought the infor-
mation that snow is so deep in the
neighborhood of Vale that great
flocks of quail and partridge are
starving by the thousands. They are
following the railroad, the only por-
tion of the valley that is free from
snow. It is estimated that thou-
sands have been killed by the trains
and that many more are dying be-
cause of the lack of food. Game
Wardens will attend to the matter
of feeding.

Baseball Gossip.

Catcher Leslie Nunamaker, of the
Red Sox, is spending the winter in
hunting and fishing on Cape Cod.

Manager Finn of the Memphis
Southern league team, is trying to put
over a trade with Minneapolis for
Frank Delehanty.

Joe Tinker is making arrangements
to take his Chicago team of the Fed-
eral league to Beaumont, Texas, for
spring training.

Pitcher "Slim" Harrah, the star
slabber of the Kansas league, has
been signed by the Victoria North-
western league club. Hurrah! Hurrah!

Manager George Stallings, of the
Boston Braves, shipped twenty-five
turkeys from his Georgia plantation
to the Hub, for the annual dinner of
the Boston Winter leaguers.

After a season as manager of the
Indianapolis team, Mike Kelley is
willing to become a scout for the
Cardinals. It's just one darn thing
after another for Mike.

The world touring Giants and
White Sox will arrive at Monte Carlo
on February 12. But fence busting
and bank busting, they should remem-
ber, are altogether different things.

In a recent newspaper article Eddie
Collins of the Athletics, paid tribute
to Ty Cobb as follows: "Take it from
one who knows, there is only one
Cobb. All the rest are imitations."

From all accounts the new Federal
league of players all along the line,
league intends to aid the National
while apparently no effort is being
made to induce American league
players to jump.

Ball players are an ambitious lot.

Governor Tener of Pennsylvania was
a ball player in his younger days, and
Bert Daly, formerly of the Phillies,
has now been elected mayor of Bay-
onne, N. J.

George Carpentier, the heavy-
weight champion pugilist of Europe,
and the idol of the French sporting
public, is to be given a big "blow-out"
in Paris next Monday on the occasion
of his twentieth birthday anniversary.
In view of his remarkable achieve-
ments in the ring it is difficult to re-
alize that Carpentier is still in his
teens. It is not so difficult to under-
stand, however, when it is remembered
that he began his career as a fight-
er at the early age of twelve years.
At that time he weighed but 75
pounds and was known as the "Little
Demon." At the age of 13 he was
proclaimed the amateur bantam
champion of France. One year later
he won the feather weight title and
in the same year he added the light-
weight championship to his other hon-
ors. In 1912 he took the European
middleweight from Tom Sullivan and
then he began cleaning up the heavy-
weights. His latest victory was his
decisive win over Bombardier Wells,
the big Britisher. In this and other
of his recent fights Carpentier show-
ed a complete change of style from
that which he displayed in the early
part of his career. Formerly it was
perfectly apparent to every spectator
that he fought for the love of fight-
ing. He smiled from gong to gong
and never sought to avoid punishment
if by taking his medicine he could
give a larger dose of the same stuff
to his opponent. But now it is evi-
dent that he regards the game as a
business. The old smile is missing
and he is cool and calculating in the
ring. What he has lost in youthful
enthusiasm he has gained in a better
knowledge of the science of the
game.

The readers of this paper will be
pleased to learn that there is at least one
dreaded disease that science has been
able to cure in all its stages, and that is
Catarrh. Hall's Catarrh Cure is the only
positive cure now known to the medical
fraternity. Catarrh being a constitutional
disease, requires a constitutional treat-
ment. Hall's Catarrh Cure is taken in-
ternally, acting directly upon the blood
and mucous surfaces of the system, there-
by destroying the foundation of the dis-
ease, and giving the patient strength by
building up the constitution and assisting
nature in doing its work. The proprietors
have so much faith in its curative pow-
ers that they offer One Hundred Dollars
for any case that it fails to cure. Send
