## W. N. MONROE SHOW JUDGE IS CHANGED

### BAKER POULTRYMEN EXPECT A BIG SHOWING.

Comparison Method of Judging to Be Used at Baker.

Baker, Jan. 14.—(Special.)—W. N. Monroe, of La Grande, has been secured as the judge of the Baker poultry show, January 22, 23 and 24, and now all the details of the show except the fixing of the prizes for the various events have been arranged. Entries have been coming in slowly to Secretary McAlister and until he gets some idea as to how many entries there will be in the different classes it will be difficult to make the prize allotments. Formal entries will close two or three days before the show. Mr. McAlister said today that he expects there will be between 25 and 35 pens and from 50 to 75 single entries. Also some turkeys, geese and pet stock consisting of rabbits and pigeons will be shown.

Mr. Monroe will use the comparison method of judging and there will be no score cards used. Utility birds will stand the best chances of winning, although the usual standard will be followed to some extent and show birds will count a certain percentage in the judging.

Every bird which takes a first or second will get a blue or red ribbon in every classification. There will also be one grand sweepstakes prize and numerous special prizes from the 45 to 50 premiums which have been donated with a total value of \$150.

### DETAILS OF NEW LAW QUOTED FROM STATUTE.

Important That All Brands Be Registered At Once.

Because the new brand law in Oregon is not being generally followed in Union county the Observer again prints extracts from the new law about filing brands. The excerpts from the law read:

Sec. 1.—That Sec. 5526 of Chapter 6, of Title of L. O. L., be and the same is hereby amended to read as follows: Section 5526, When a brand has been recorded in any county, no other person, company or corporation can record the same brand, or brand similar thereto, except with the written consent of the owner of the brand so recorded, which written consent shall be recorded with the county clerk; and it shall be the duty of all persons, firms or corporations now having brands upon the records to renew the same by oral or written request by the owner of record of said brand to the county clerk within one year from the passage of this amendment. The county clerk shall make a memorandum of such renewal with the date thereof on the margin of the record of said brand. All brands, the record of which shall not be renewed as above provided, shall be cancelled and may be appropriated and recorded by the person first applying therefor.

Filed in the office of the Secretary of State, February 26, 1913. See Oregon Laws, 1913, pages 501-2.

### Automobile Runs.

There is one thing worse than a drunken chauffeur, but we've forgotten what it is.—Philadelphia Inquirer.

New York city is having a little spasm of police activity in an effort to check automobile speeding. The killing has been too much for even this preoccupied community to stomach.—Waterbury American.

Twice as many people are killed in one month by automobiles in New York as are killed by them in one year in London, yet London has more automobiles. London also has a police force which is organized and maintained for the protection of the people.—Philadelphia Ledger.

### The Royal Box.

King George of England is the only European monarch who smokes a pipe. The czar of Russia is a great lover of cigarettes. He uses but one grade of tobacco. It is a Turkish brand and is grown and exclusively selected for his majesty in Turkey.

Emperor William of Germany, who is a member of the Prussian state church, is leading in plans for the observance of the four hundredth anniversary of the German reformation. This occurs in 1917.

**To Keep Rice Grains Whole.**  
Have plenty of water boiling rapidly in a large saucepan, add to it the strained juice of a lemon, put in the rice, stir with a cooking fork (never stir rice with a spoon), boil hard for fifteen minutes uncovered. Now add the salt, stir well, boil ten minutes longer, pour it into a colander, shake well, put into a warm oven for five minutes to dry, serve in a hot uncovered vegetable dish. The lemon juice does not flavor the rice.

**Rendering Lard.**  
Cut leaf lard into small pieces and run through the meat chopper before rendering and you will have almost all lard and very few cracklings when through cooking. A teaspoonful of common baking soda in the water in which you start your lard to rendering makes it white and sweet. Sprinkle a thin layer of salt in the bottom of jars before pouring in your newly rendered lard and it will not get rancid.

**For Frost Bites and Chapped Skin.**  
For frost bitten ears, fingers and toes, chapped hands and lips, chilblains, cold sores, red and rough skins, there is nothing equal to Bucklen's Arnica Salve. Stops the pain at once and heals quickly. In every home there should be a box handy all the time. Best remedy for all skin diseases, itching eczema, tetter, piles, etc. 25c. All druggists or by mail, E. K. Bucklen Co., Philadelphia or St. Louis.

## HINTS FOR THE BUSY HOUSEWIFE

Timing Glass Attachment For an Egg Boiler.

Most everybody eats eggs and most everybody has notions as to the degree of hardness to which an egg must be cooked. The handy combination here shown will greatly facilitate the operation of preparing eggs for particular persons. The sandglass is on a pivot, and the instant the eggs are dipped the glass is turned, and the cook may readily time the eggs by watching the glass.

### Pork Cake.

One pound of salt pork chopped very fine, one pint of boiling water poured on the pork, two cupfuls of sugar, one cupful of molasses, one heaping teaspoonful of cloves and of cinnamon, one pound of chopped raisins, two teaspoonfuls of soda, one small teaspoonful of baking powder and about six cupfuls of flour (enough to make it rather thick, but not too stiff). Bake slowly and be sure that it is done before taking from the oven. This cake will keep for weeks if wrapped in paraffin paper and kept in a tin box or a covered jar.

### Raisin Puffs.

One-half cupful of sugar, a heaping tablespoonful of butter, two eggs, a cupful of milk, two cupfuls of flour, a cupful of raisins chopped and floured, three teaspoonfuls of baking powder. Steam in buttered cups one-half hour. This makes twelve cupfuls. Sauce for puffs—two cupfuls of brown sugar, two cupfuls of hot water, two tablespoonfuls of butter, two tablespoonfuls of flour, a teaspoonful of vanilla. Cook until thick. Serve hot.

**IF** you have never used Electric Lights, you cannot fully appreciate their superiority; if you have always used them, you are apt to accept them as a matter of course; but if you have used them and then, for some reason, are forced to do without them --THEN you will realize how much their brilliance and convenience meant to you, You needn't do without them in La Grande, however, for our service reaches everywhere, and our rates place Electric Light within the means of all.
