

LA GRANDE LOCAL BREVITIES

C. E. Oliver In Town.

C. E. Oliver has been in La Grande a few days on a visit with his sister, Mrs. Fred Johnson, and his father. He is now a resident of Lakeview and this is his only visit to La Grande in the past seven years. His brother, A. V. Oliver, who recently left here for the region farther south, has a stock ranch in Modoc county, California, just across the Oregon boundary. Another brother, Clark, is also largely interested in the farm and stock industry in that section.

Snow Deep On Hills.

J. H. Blumenstein was down this week from his place near the summit of Mt. Emily, where he has supervisory charge of the government trail and the look-out station. The snow in that section has attained a depth of about two and a half feet.

Mining Deal Pends.

Chas. H. Chick was up from Portland the latter part of last week on business in connection with a probable transfer of his interests in the Placer mining property up the Grande Ronde river known as the Old Carson property. No details of the reported transfer have been given out for publication.

May Start Mill Soon.

The mills of the Grande Ronde Lumber Company at Perry, which have been idle the past three weeks to make repairs, will probably resume work the beginning of the coming week. Logging operations have been in progress during the temporary shut down and this is in preparation for what is expected to be a big run during the coming season. Of his vocal talents and his zeal in

Hennessey In Rome.

George Hennessey, who will be remembered by many La Grande people as the director in charge of the Catholic mission car which has made frequent visits to La Grande, is now in Rome on a mission in connection with his work in behalf of the extension of the church work and influence in America. Mr. Hennessey will be remembered chiefly on account of his vocal talents and his zeal in the work which he has in hand.

Putting Up River Ice.

Fred Young is preparing to put up a large quantity of natural ice from the Grande Ronde river. Last season he had a very large supply but at that he ran short before the summer season ended. He hopes this year to be in a position to meet all demands.

Casey Crew Busy.

J. D. Casey has twenty men at work in his logging camps near Meacham. Up to this date about three and a half million feet of logs have been banked and it is the in-

attention to have as much more ready for the saws by the time the spring season opens.

Appropriations to Be Made.

Arrangements are about completed for the meeting of Riverside Grange to be held next Wednesday afternoon for the discussion of the advisability of appropriating money for expert work from the Oregon Agricultural College in the line of producing better fruit. A complete program and the list of speakers is to be ready in a short time.

Send Apples South.

E. Z. Carbine, of Fruitdale, left this week with a carload of apples which he will take to southern Arizona. His son and two sons-in-law are interested in that section of the country and Mr. Carbine, also, has property interests there. He expects to be away a couple of months.

Parkdale Club Meets.

The bi-weekly meeting of the Parkdale club was held at the home of Mrs. Rynearson Wednesday afternoon. There was a continuation of the discussion as to what should be done to help the mother on the farm.

Going to Kansas.

Mrs. A. B. Blood, wife of Engineer Blood of the yard engine crew, will leave in a few days for Kansas to visit her mother.

Mrs. McAllister Enjoys Trip.

Mr. and Mrs. D. A. McAllister, who are in California for the benefit of the latter's health, sends reports of a pleasant trip to the southland; but the change in latitude has not yet resulted in material benefit.

Goodbye Dandruff

Parisian Sage Stops Falling Hair and Itching Scalp; Removes Dandruff With One Application.

If your hair is too thin, make it grow. If it is too dry and brittle, soften it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes off. Freshen up the scalp and dandruff will go.

Parisian Sage, always sold by the Newlin Drug Co., in 50-cent bottle, is just what you need to make your scalp healthy and immediately remove dandruff—your hair wavy, lustrous and abundant.

You cannot be disappointed in Parisian Sage. It tickles itching head; cleanses the hair of dust and excessive oil; takes away the dryness and brittleness; makes it seem twice as abundant and beautifies it until it is soft and lustrous.
