A pile remedy that is entirely different from anything else, used both externally and internally, acting on the blood as well as on the disease, a remedy without a superior. It is Meritol Pile Remedy, made and guaranteed by the American Drgu and Press Association. Newlin Drug Co.

If you have never used Electric Lights, you cannot fully appreciate their superiority; if you have always used them, you are apt to accept them as a matter of course; but if you have used them and then, for some reason, are forced to do without them -- THEN you will realize how much their brilliance and convenience meant to you. You needn't do without them in La Grande, however, for our service reaches everywhere, and our rates place Electric Light within the means of all.

THE CAVALIER'S SONG.

A steed, a steed of matchless speed!
A sword of metal keene!
All else to noble heartes is drosse;
All else on earth is meane.
The neighyng of the war-horse proude,
The rowlyng of the drum,
The clangor of the trumpet lowde,
Be soundes from heaven that come;
And, oh, the thunder'ng presse of knightes,
Whenas their war-cryes swell,
May tole from heaven an angel bright
And rouse a fiend from hell!
Then mounie, then mounie,
brave gallants all,
And don your helmes amaine!
Denthe's couriers, fame and honor, call
Us to the field againe.
No shrewish feares shall fill our eye
When the sword-hilt's in our hand.
Heart whole we'll part and no whit sighe
For the fayrest of the land;
Let piping swaine and craven wight
Thus weepe and puling crye.
Our business is like men to fight
And hero-like to die!
—William Motherwell.

CHURCH ARISTOCRATIC.

The wage earner has small voice in the matter. The modern church is seldom organized so as to reach him. He has dropped the church—at least, the Protestant churches—or the churches have dropped him. The churches are dying of dry rot, yet within them few seem to realize why. That cause largely lies in the conservative determination to insist on various credal platforms, and once this policy is adopted the exodus of the progressive part of the church membership is only a question of time. The church does not represent today the wble people as once it did. Disheartened by its proved immobility, its would be reformers have left it or have been driven forth from it. Its 'standpatters' remain within it, rule its deliberations and direct its policy. In a democratic age and country the American churches are aristocratic.—Dr. William S. Rain- ford, Former Pastor of St. George's Episcopal Church, New York City.

ONE NEVER CAN TELL.

There were seven men, there were seven minds,
There were seven humans of seven kinds;
And none who had known in early days
These men who traveled their seven ways
Would have thought that the crook would a parson be
Or the knave would take up humanity.
But you never can tell—and the moral is here:
Don't accept things always as they appear,
For under the gristle and skin and bone
Is something that works in a way of its own—
And you never know the saint from the knave
This side of the edge of the common grave.
