LIBRARY IN PUBLIC FAVOR

ANNUAL REPORT SHOWS MARKED INTEREST.

Financial Affairs, Number of Books Circulated, Are Summarized.

Marked interest is taken in the La Grande library by the citizens of La Grande. Following is an exhaustive report of the library development, financial affairs and total number of books on hand, the report being the official annual summary of the library affairs submitted to the city commissioners, to whom the report is addressed, with a prelude by the librarian.

I herewith submit to you the enclosed statistical report of the work of the La Grande Public Library for the year ending December 31st, 1913. This is the first full, yearly report of the library; it having been opened to the public July 15th, 1912, under the able charge of Miss M. L. Cowell, a trained librarian and graduate of Pratt Institute Library school. On June 14th, 1913, Miss Cowell resigned, to be married, and since July 1st, 1913

the library has been in charge of Jacqueline Noel, also a graduate of Pratt Institute Library school.

The library will soon enter into a new period of its existence in the handsome building provided for it through the generosity of Mr. Andrew Carnegie. In its own building, it hopes to serve the people of La Grande even better than it has been able to in the past.

Respectfully submitted,
JAEQUELINE NOEL.

Excellent for Stomach Trouble.

"Chamberlain's Tablets are just fine for stomach trouble," writes Mrs. G. C. Dunn, Arnold, Pa. "I was bothered with this complaint for some time and frequently had bilious attacks. Some Thrifty Wife Will Want This

I have a well furnished apartment house in this city that in addition to five modern living rooms occupied by the family is bringing in an income of \$100 per month.

The property is in first class condition. No vacancies in this house, generally a waiting list.

Investigation will show that considering the steady income very little personal attention is required.

Some thrifty wife can soon own a property that will augment the family income just about double the amount the average thrifty husband is able to produce.

A good small five or six room dwelling will be considered as part payment. The balance can be arranged on reasonable terms.

Call at office and see the photograph of the property and if you are a hustler and really want something good you will be interested in knowing the details.
