This Genuine Hand Painted Art Rose Lamp

The most artistic Lamp yet produced. The artist's autograph appears on each and every Lamp dome, to substantiate the fact that the beautifully depicted flowers and the other rich color effects on the dome are actually hand painted. Days and weeks are spent by artists to bring out the elaborate and minute details which are so essential in producing the real keynote to the exclusive touch of artistic skill, so pronounced in this latest creation of the artist.

Lamp is on Display at Lilly's Hardware Store

Height twenty inches. Shade twelve inches in diameter, width of base eight inches. The pedestal is of lightly polished 14 Kt. Roman gold, lacquered, and will not tarnish. Will retain its beauty for years. The metal pedestal is Antique in construction and finish and the moulds for it are produced from an old Venetian design.
