### MISS ERMA DAILY SUCCUMBS TO MEASLES.

Measles Have Spread in the District Causing Annoyance and Death.

Elgin, Jan. 17.—(Special.—Miss Winnie Newcombe and pupils are doing fine work since the holidays.

The patrons and scholars of District 67 are mourning the death of their friend and teacher, Miss Erma Daily, who died as a result of measles, on January 6. Miss Daily leaves a father, mother and three brothers to mourn her loss, also a host of true friends.

Mrs. M. E. Beem and son Lloyd, were visitors at the Cunningham school last Wednesday and expressed themselves as being well pleased with Miss Newcombe and her school.

The stork was a recent visitor at the home of Mr. and Mrs. Leonard Parsons, leaving a fine 101-pound girl.

Charley Gray and family spent Sunday at the home of Ray Hug.

The weather is fine and almost like summer only we are having a little more wind than we need.

Miss Bertha Cruickshank has almost recovered from the measles.

Miss Newcombe was obliged to have a substitute take her place in the school room last week, on account of the death of her friend, Miss Daily, one of the Flat's teachers.

Bert Peterson says he hopes that the weather will stay as it is for about three weeks longer. We can't and would appreciate it.

A number of our boys and girls tried their luck on the state examinations this week. Let us hope their efforts were not in vain.

## Boils Are a Bad Indication

No Time Should be Lost in Purifying Your Blood.

At the first appearance of pimples and boils the blood should be given a good searching internal bath with S. S. S., the greatest blood purifier known to man. This remarkable remedy has the peculiar action of soaking through the intestines directly into the blood. In a few minutes its influence is at work in every artery, vein and tiny capillary. Every membrane, every organ of the body, every emunctory becomes in effect a filter to strain the blood of impurities. The stimulating properties of S. S. S. compel the skin, liver, bowels, kidneys, bladder, to all work to the one end of casting out every irritating, every pain-inflicting atom of poison; it dissolves by irrigation all accumulations in the joints, causes acid secretions to dissolve, renders them neutral and scatters those peculiar formations in the skin that cause boils and other skin eruptions.

And best of all, this remarkable remedy is welcome to the weakest stomach. In a very brief time S. S. S. has the reconstructive process so under control that all eruptive places heal. You can get S. S. S. at any drug store. Beware of any effort to sell you something claimed to be "just as good." If yours is a peculiar case and you desire expert advice, write to the Swift Specific Co., 213 Swift Bldg., Atlanta, Ga.
