THE Gossard CORSETS
They Lace In Front

Gossard Corsets adapt themselves perfectly to the present demands of fashion.

The change effected in the figure line when fitted to a Gossard corset will amaze you. Gossard corsets all have the long skirts and you cannot detect the lower line of boning—so carefully is it done. With the Gossard there are no lines, except the beautiful natural lines of the figure.

A complete line of models at from \$3.50 to \$8.50 always on hand.

MRS. POBT. PATTON.
