 Excellent for Stomach Trouble. "Chamberlain's Tablets are just fine for stomach trouble," writes Mrs. G. C. Dunn, Arnold, Pa. "I was bothered with this complaint for some time and frequently had bilious attacks. Chamberlain's Tablets afforded me great relief from the first, and since taking one bottle of them I feel like a different person." For sale by all dealers.

MARKETS HAVE BIG CHANGES

ONIONS MAY REACH UNHEARD-OF MARK.

Butter Down Slightly, Eggs Cheaper and Other Items Changed.

MARKET REVIEW SHOWS CHANGES.

Slight drop in butter. Packed eggs practically out of the market and fresh eggs down. Onions go up and danger of tremendous increase shown. Cabbage two cents higher.

Market changes during the past week have been numerous and material. Eggs have been down to 35 for a day or two and practically every egg carried now is fresh and not packed. At the same time five cents have been cut off on the price of the two-pound butter roll. Onions went up to five cents for the small lots and what is more, coast trade papers fear that the unheard of price of seven or eight cents may be reached before new onions arrive on the scene.

Some Thrifty Wife Will Want This

I have a well furnished apartment house in this city that in addition to five modern living rooms occupied by the family is bringing in an income of \$100 per month.

The property is in first class condition. No vacancies in this house, generally a waiting list.

Investigation will show that considering the steady income very little personal attention is required.

Some thrifty wife can soon own a property that will augment the family income just about double the amount the average thrifty husband is able to produce.

A good small five or six room dwelling will be considered as part payment. The balance can be arranged on reasonable terms.

Call at office and see the photograph of the property and if you are a hustler and really want something good you will be interested in knowing the details.
