WEBER WRITES CLEVER PLAY

DEALS WITH WOMEN WHO NEVER HAD CHANCE.

At Arcade Tonight, Called "Thieves and the Cross."—A Soul Stirrer.

The Arcade is going to present to the public tonight a play that has some soul stirring truths connected with it. It deals with the history of a woman with God's own soul in her, who never had a chance, when the right man came along. Well, such are the designs of providence—you have to see it to appreciate it.

A woman who has agreed to commit a clever theft, meets a scientist who wields a reforming influence over her. Instead of going through with the deed she has a change of heart. The big question that you are forced to ask yourself is, how did this man happen in at the hotel at this time, why was he there, and who sent him, who protected the woman from whom she was to steal? You'll think and often. It is gripping and makes you think. Miss Lois Weber is the writer of the play and it's to the point.

At Arcade tonight. Two long reels. "Famous Artist Finds Affinity in Studio Drudge," is the title of a wonderfully touching picture for tonight. Deserted by rich coquette, he turns to plain Jane, a Cinderella in disguise, billed as Plain Jane. Irene Wallace stars in this play. The inimitable Irene, a comedy in herself.—Adv.

Salt Sent By Parcel Post.

Two tons of salt were shipped through Baker today by parcel post from Pocatello to Burns, says the Baker Herald. The strange shipment, which because it is in an air line of less than 150 miles comes within the second zone, will travel more than 500 miles before it reaches its destination. Almost a circle is made, the salt coming in on the O.-W. R. & N. to Baker today and being transferred to the Sumpter Valley for shipment to Prairie City, whence it will be sent by stage to Burns. The salt was all done up in 50-pound sacks. Postmaster Lachner says this is the largest parcel post shipment which has ever come within the notice of the Baker postoffice.

TRUTH TRIUMPHS.

La Grande Citizens Testify for the Public Benefit.

A truthful statement of a La Grande citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, use a tested kidney medicine.

A La Grande citizen tells of Doan's Kidney Pills.

Could you demand more convincing proof of merit?

E. L. Bussey, prop. cab service, 1521 Madison ave., La Grande, Ore., says: "I had attacks of kidney trouble and they were always worse when I caught cold. I had dull pains in my back and my kidneys got badly out of order. About three years ago I began using Doan's Kidney Pills, and they helped me. I have since relied on them. Whenever my back has bothered me, it has taken Doan's Kidney Pills only a short time to fix me up all right. I never used a better kidney medicine."
