Rexall Olive Oil Emulsion

It Is the Best Remedy

When you are run-down, no matter what the cause.

It doesn't merely stimulate you and make you feel good for a few hours, but takes hold of the weakness, and builds you up to a healthy, normal condition.

It is a real nerve-food tonic, a real builder of healthy nerves, rich blood, strong muscles, good digestion.

It contains the Hypophosphites, to tone the nerves and give energy, and pure Olive Oil, to nourish the nerves, the blood, the entire system, and give vitality, strength and health.

It is pleasant to take, the greasy flavor of the Olive Oil having been removed.

For you who are tired out, nervous, run-down, debilitated, weak, emaciated—for convalescents—for old people—for puny children—we recommend Rexall Olive Oil Emulsion as the best medicine we know of to make and keep you well and strong.

PORTLAND PACKERS ALONE
ARE BUYING BEEF.

Reason For Lethargy In Portland
Shown in Letters.

Reports received in Eastern Oregon are to the effect that the lethargy in the Portland cattle market is not due to the importation of Canadian cattle into Seattle but instead comes from the fact that Carstine and Frye big Sound packers, are using their own fattened stuff and therefore, are out of the market temporarily. Frye alone is known to have fattened over 6000 head in the Yakima valley and these beef being ready for use are being utilized. How long they will last is not known.

A Umatilla county grower went into Portland a few days ago with a cattle shipment and he found the Seattle people entirely out of the market, thus leaving the Union Meat company as the only buyer. He ascertained that the reason of the Puget Sound interests were out of the market is as given above. It
