"Booze" was responsible for a large grist in the municipal mill this morning. One could have almost sung the direful song to the tune of "All Doing the Same," or with some additions to "Nearly Everybody Is Doing It." The rigamarole sounds very much like "in again, out again, drunk again, fool again." The latter is the proverbial song which a thick head sings on the morning after the night before, and is as old as Uncle Tom's Cabin and as theradbare as Noah's ark.

Here's the roll call: J. M. Hudson, drunk, \$10; Jno. Peterson, drunk, \$25; H. Farley, drunk, \$10; Mr. Sommers, "lifting" from a drunk, \$10.

In addition to these operations of the police department information reached this city of the jail break in Weiser, Idaho. The local men have been on the lookout for these men and all passing passenger trains have been searched in an effort to apprehend the jail fowl.

He was arrested as John Doe

but his name is believed to be Clac.

Cough Medicine for Children.

Never give a child a cough medicine that contains opium in any form. When opium is given other and more serious diseases may follow. Long experience has demonstrated that there is no better or safer medicine for coughs, colds and croup in children than Chamberlain's Cough Remedy. It is equally valuable for adults. Try it. It contains no opium or other harmful drug. For sale by all dealers.

Excellent for Stomach Trouble.

"Chamberlain's Tablets are just fine for stomach trouble," writes Mrs. G. C. Dunn, Arnold, Pa. "I was bothered with this complaint for some time and frequently had bilious attacks. Chamberlain's Tablets afforded me great relief from the first, and since taking one bottle of them I feel like a different person." For sale by all dealers.
