Saving money is like planting your garden
WHEN you plant money in the bank you expect it to bring you a harvest of profit and pleasure—same as your garden. And like the produce of your garden it grows best with careful attention—till it becomes a harvest—a fortune. Now is "planting time." Think it over.

CRICKET FLAT NEWSY ITEMS

SCHOOL NEWS OF YOUNG PEOPLE AND TEACHER.

Winter Illness and Other Tidbits of Social Doings Recorded.

Cricket Flat, Jan. 27.—(Special).—The small daughters of Fred Hall have the measles but are doing nicely.

The regular Friday afternoon ciphering match at the Cunningham school was enjoyed by a large number of enthusiastic visitors.

Mrs. Dave Hug returned to her home in the Pine Grove district last Sunday.

School in the Eysdam district is again doing good. A young lady from La Grande has been secured to finish the term.

The weather this week has been very disagreeable and changeable.

Charles Gray and family spent last Thursday at the home of Clay Rhodes.

Rev Gilstrap will hold preaching services at the Highland Jan. 25, at 2:30.

Dee Beem has been helping Ray Hug to cut his next summer's supply of wood.

Earl Phillips' family are suffering from the measles.

It is said that those who visit the Cunningham once usually go twice, so enthusiastic are the pupils and their teacher, that we wonder what they will do next. We are glad to have Miss Newcombe with us this winter.

Dangers of a Cold.

Do you know that of all the minor ailments colds are by far the most dangerous? It is not the colds themselves that you need to fear, but the serious diseases that they so often lead to. For that reason every cold should be gotten rid of with the least possible delay. To accomplish this you will find Chamberlain's Cough Remedy of great help to you. It loosens a cold, relieves the lungs, aids expectoration and enables the system to throw off the cold. For sale by all dealers.
