CHURCHES IN NEW CRUSADE

LA GRANDE MINISTERS TAKE UP MOVEMENT.

February 22 Is Day Set for "All Men In Church" Movement.

Sunday, February 22—Washington's birthday—is the time set for La Grande to observe the national custom inaugurated this year to have every man attend some church at least one day in the year. Other cities of the state have already set their dates for this practice which is being made national. At the ministerial association meeting held here yesterday afternoon, the ministers of the city chose February 22 as the time for the big services.

Each church will conduct its services as usual, but special stress to get every man in La Grande into a church building on that day, will go forth. The plan is generally popular and is here. Publicity will be given to the proposition early. Men who never go to church except on funeral and wedding occasions, will be especially invited. The sermons and services will probably be nothing out of the ordinary, but the feature of the day is to be the bringing of men into the church for at least one religious service a day.

QUO VADIS TOMORROW

Will Likely Be the Only Time This Is Shown Here.

The great drama Quo Vadis is to be shown at the Arcade tomorrow night. In a sense it is one of the biggest things that has come to La Grande in the way of pictures. It is acted by the foremost company of Italians and cost a fabulous sum in producing it. A cheap company could not attempt to act this great play of Roman times when the butcher Nero, held all Rome under his corrupt hand by threats of death. When Christians became living torches for a luxury, and when lewdness and intrigue, coarse living and general corruption contrasted with some of the noblest examples of living the world ever heard of. It is this contrast between the forces of wickedness and these fervent Christians that makes this drama such a marvelous production. The pictures of the firing of the city, supposed to have been done by Nero himself, who played a fiddle and sang the while, are among the most exciting scenes in the play, marvelously executed. It is far superior to the famous play, "The Fall of Troy," and takes rank as one of the biggest productions in the picture world.

Owing to the length of this film patrons are requested to be on hand not later than 7:15, tomorrow night for the first show, and 9 o'clock for the second. It will be here two nights only and mayhap may never be shown here again.—Adv.

Yell Defiance at Blood Disorders

A Remedy That Has Shown a Most Remarkable Purifying Effect.

At Last You Can Get Rid of Blood Troubles—S. S. S.

The word Medicine is one of the most abused in our language. There are certain medicinal properties just as necessary to health as the food we eat. Take, for example, the well-known medicine S. S. S. This famous blood purifier contains medicinal components just as vital and essential to healthy blood as the elements of wheat, roast beef, the fats and the sugars that make up our daily ration.

As a matter of fact, there is one ingredient in S. S. S. which serves the active purpose of stimulating each cellular part of the body to the healthy and judicious selection of its own essential nutriment. That is why it regenerates the blood supply; why it has such a tremendous influence in overcoming Rheumatism, Catarrh of the Stomach and Intestines, skin eruptions and all blood troubles.

Get a bottle of S. S. S. at any drug store, and in a few days you will not only feel bright and energetic, but you will be the picture of new life. S. S. S. is prepared only in the laboratory of The Swift Specific Co., 219 Swift Bldg., Atlanta, Ga., who maintain a very efficient medical department where all who have any blood disorder of a stubborn nature may consult freely.

S. S. S. is sold everywhere by drug stores, department and general stores. Don't permit anyone to sell you a substitute. Insist upon S. S. S.
