Saving money is like planting your garden
WHEN you plant money in the bank you expect it to bring you a harvest of profit and pleasure--same as your garden. And like the produce of your garden it grows best with careful attention--till it becomes a harvest--a fortune. Now is "planting time." Think it over

IRRIGATION MEN TO MEET

PORTLAND OFFICIALS URGE UNION MEN TO COME.

Improvement For Irrigation Problems to be Discussed.

Cordial invitation to La Grande and Union county people to attend the Oregon irrigation congress in Portland has been extended through the La Grande commercial club. The following letter has been received by Secretary Joe Williamson:

Portland, Ore., Jan. 26, Dear Sir:—The Third Oregon Irrigation Congress meets in Portland at the Imperial Hotel, February 13th and 14th, 1914.

The results of this convention depend upon the active participation of parties familiar with, and interested in, irrigation projects and irrigation work. Beside the set numbers on the program, the delegates will be given the opportunity of stating their grievances, bringing out where the irrigation laws are good and where bad; reports progress on operating projects, and projects contemplated, and also give valuable assistance to the prospective irrigator.

We wish to extend to you an invitation to attend this convention and urge upon you the importance of your doing so.

Kindly advise whether you will come, so we can plan properly. Hope you will be here.

Very truly your,
C. C. Chapman,
Vice-president and Chairman, Program Committee.
