

PORTLAND STOMACH VICTIM FINDS RELIEF FROM VERY FIRST DOSE

H. C. Scammon Gets Quick Results From Use of Mayr's Wonderful Remedy.

H. C. Scammon of 209 Sherman street, Portland, was a victim of stomach troubles. He tried many treatments with but little promise of successful results.

At last he tried Mayr's Wonderful Stomach Remedy and got quick relief. In ordering the remedy after taking the first dose he wrote:

"I took the sample treatment and

will say it helped me more than anything else I have ever tried and I want the full treatment immediately. I have had several persons send for the treatment already."

The quickness with which it proved itself to Mr. Scammon is one of the great merits of the remedy. The first dose proves—no long treatment. It is known, everywhere. Thousands have tried the remedy and now praise it.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and removes poisonous matter. It brings swift relief to sufferers from ailments of the stomach, liver and bowels. Many say that it has saved them from dangerous operations and many declare that it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure it's MAYR'S. Go to Hill's drug store and ask about the wonderful results it has been accomplishing among people they know—or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored. Any druggist can tell you the wonderful effects.—Adv.

CANADIAN HOGS ENTER THE PUGET SOUND PACKING CIRCLE

Portland, Jan. 29.—(Special)—It was reported today that Canadian swine were being brought forward to Puget sound packing houses. This had no effect whatever upon the trade in the North Portland yards, tops again commanding \$8.10 here this morning.

There was only a small offering in the hog sheds for the day and these were quickly picked up at the former extreme price.

Now that there has been a movement of Canadian hogs as well as cattle to the Puget sound market, the trade here is taking stock of conditions. While the importations have hurt the cattle trade, the outlook is for continued good tone in the hog trade here.

Canadian hogs can be sold at markets further east at better prices than they can possibly bring on the coast at this time, therefore it is not likely that much of a movement will come in this direction. Livestock generally moves where the price is best, therefore there is little cause for alarm here.
