WELL KNOWN WOMAN DIES

WALLOWA MOURNS DEATH OF MRS. FRANK ENGLISH.

Wallowa Awaits Glee Club—Weather Hinders Building.

Wallowa, Feb. 9.—(Special.)—Mrs. Frank English passed away last Monday night in her home in this city, after a lingering illness. The funeral services were held in the Methodist church Wednesday afternoon at 2:30. The body was laid to rest in the Wallowa cemetery. The deceased is survived by a husband, Frank English, four children, father, mother, brothers and sisters. She was a member of the Methodist Episcopal church.

The O. A. C. glee club will present their program in the high school auditorium Saturday night, Feb. 14, according to Manager Keiffer's statement. The O. A. C. band presented a fine entertainment here Christmas week and we feel sure the people will be pleased with the program which the glee club is to present.

The W. H. S. gymnasium is going up slow but sure. Slow. Why? Because old Neptune would not permit the lads to work at their own will, but in spite of this they have made some progress. The manual training department, formerly composed of high school students, has been enlarged and the four grades lower than the high school are taking it. They have occupied another room in the school house basement.

Six weeks more of bad weather is predicted for Wallowa according to Mr. Groundhog, for he witnessed one of the most pretty and clear days of the winter. The only clouds visible during the day were in the early morning.

The Fair store has moved their stock to the stone building, previously occupied by the Wallowa drug store.

E. W. Southwick is packing his goods in a car in which he expects to move them to his new home in Hermiston.

Geo. Rogers, a bachelor of the city, was one of the new members who rode the Odd Fellows' goat last Monday night.

Bill Allen was a visitor from Lostine Tuesday.

Bud Heskett of Leap, delivered hogs for the market in this city last week.

The Methodists and Presbyterians held a Union meeting Sunday night in the Methodist church on account of bad weather. A very effective sermon was preached by Rev. Shimion, of the Presbyterian church.

Howard O'Brien of the Wallowa Hardware Co., arrived home from Portland where he spent two or three weeks with friends in that city.

Earl Sherod and wife arrived from California where they were recently married. Mrs. Sherod was a resident of that state. They expect to make their home in Wallowa.

Imbler Items.

Imbler, Feb. 9.—(Special.)—Harvey Berry was seriously injured Wednesday afternoon when a load of hay toppled over and threw him against the side of the rack.

Little Irma Henry was brought home from the Grande Ronde hospital on Thursday morning. She is slowly recovering from a severe operation for appendicitis.

Miss Florence Dayton of Portland, is visiting her friend Miss Merle McKelvey.

On Saturday night Mrs. Hugh Huron and Mrs. Frank Barrett entertained about 40 friends at cards. Honors were carried off by Mr. and Mrs. Cap Tuttle.

Imbler is making arrangements for the O. A. C. glee club concert to be held here next Wednesday. At noon the club will be given a dinner by the O. A. C. alumni and their wives. After the concert in the evening a dance will be held.

Mrs. Guy Glenn and Mrs. Booth Larsen entertained nine tables at cards on Thursday night. Miss Dayton of Portland, and Mr. James McKenzie carried off the prizes.

Saving money is like

planting your garden

WHEN you plant money in the bank you expect it to bring you a harvest of profit and pleasure—same as your garden

And like the produce of your garden it grows best with careful attention—till it becomes a harvest—a fortune. Now is "planting time." Think it over
