Recognized Advantages.

You will find that Chamberlain's Cough remedy has recognized advantages over most medicines in use for coughs and colds. It does not suppress a cough but loosens and relieves it. It aids expectoration and opens the secretions, which enables the system to throw off a cold. It counteracts any tendency of a cold to result in pneumonia. It contains no opium or other narcotic, and may be given a child as confidently as to an adult. For sale by all dealers.

How to Prevent Bilious Attacks.

"Coming events cast their shadows before." This is especially true of bilious attacks. Your appetite will fail, you will feel dull and languid. If you are subject to bilious attacks take three of Chamberlain's Tablets as soon as the symptoms appear and the attack may be warded off. For sale by all dealers.
