

This is Certainly Good News-- A Gossard Corset At \$2.00

There are many women in La Grande who have hesitated in the selection of a front lace corset because they did not care to invest \$3.50 in a Gossard. The objection to price has now been removed and we are offering a new and distinctive model at \$2. This corset has a medium bust, flat back, long skirt with ample fullness and is designed to meet the requirements of the average figure perfectly. Office women, who of necessity must wear their corsets throughout the day, will find this garment ideal. It is made in a splendid Everlast cloth and, like all Gossard Corsets, it is guaranteed to give absolute satisfaction in both wearing service and design. Priced at \$2.00.

ported in overnight were fair, but a trainload was due this afternoon for tomorrow's market. The position of the hog trade here is good, but prices are still ruling at \$8.55 for tops. Sales at this price were again reported this morning for the limited supply of tops available. Farmers continue as strong holders of wheat, and the market while firm here, is rather inactive. Little business has passed here recently. Bids for club are general at 88c a bushel, tidewater track basis, but farmers are asking more money. The market for oats and barley is likewise quiet, with the latter weaker, in fact a little business has been shown in the barley trade here recently that it is hard to establish a quotation.
