

NEW SLEEPER ARRANGEMENTS

STEAM HEAT PROVIDED BEFORE
TRAIN COMES.

Electric-lighted Sleeper Facilities
Provided for La Grander.

La Grande is to have the very best there is in sleeping car service. The latest model car will be on the tracks tonight to accommodate west bound passengers. This car is perfectly new and equipped with electric storage batteries, with a dynamo attached to the wheels of the car for the purpose of generating light. It will have 16 sleeping compartments and will be of steel throughout, thus adding to the safety and convenience of travel. The newly installed steam system throughout the yards enables the company to keep the cars well heated before the arrival of the train to which it is attached. Little could be added to make this service better both as to time of departure from the city or of real convenience.

GOOD SCORES ROLLED UP

"ALLEY RATS" GRAB HARD
FOUGHT GAME.

Crowe's Team Falls Down in the
Third Game and Loses Match.

In a hotly contested match on the Club alleys last night, Patton's "Alley Rats" were returned victors over Crowe's "Pets", by a margin of 141 pins. The first two games were full of excitement and were hard fought up to the final count.

Crowe's aggregation blew up in the third and final game and were easy victims for the fast going Pattonites.

Tonight, Scott's team will meet the William's aggregation and some close games are expected.

MINSTREL IS WELL LIKED

PARTS CARRIED OUT WITH
SMOOTHNESS.

Fun, Frolic and Classic Music Have
Innings During Performance.

Very creditable performances, singly, in groups and en masse were given last evening by the participants in the Guild Cabaret minstrel show at the Arcade theatre. The audience was sufficient to well fill the theatre, and the minstrel was a success from every standpoint. Each player and each participant in it is deserving of special mention. Because of the well drilled parts, the minstrel moved with a smooth gait from start to finish. Fun and frolic and the "lenny" music had innings at fitting times. WILLIAMSON RESIGNS CLUB

SECRETARY WILL GO INTO BUSINESS THIS SPRING.

Resignation Not to Take Effect Until
Successor Has Been Selected.

Joe Williamson last evening gave notice to the directors of the commercial club of his resignation to take effect when the directors have had time to seek out and employ a new secretary. Mr. Williamson resigns to go into business with his father. During the past year Mr. Williamson has been actively engaged in publicity work for the club, and it was with regret that the board accepted the young man's resignation. Within a few weeks Mr. Williamson expects to go into the cattle raising business.

Various routine matters were gone over last evening by the club, though no question of importance was finally disposed of. The board has an active campaign before it, and these matters came in for casual discussion.

LA GRANDE AFTER TWO SCALPS

Basketball Quintet Plays Pendleton
Tonight, Milton Tomorrow.

La Grande high school basketball team left this morning for Pendleton where they will engage the five of that city tonight in a fast match. Pendleton has an unusually good team this year and all indications point to a well contested game. La Grande's quintet has been showing up well and has won all of the seven games played so far. This is a good record and will mark this year's team as one of the most successful in the history of the game in La Grande. They leave to get two scalps, one from Pendleton tonight and another tomorrow night from Milton. Of the two Pendleton, will give them the better race. The following young men went this morning: Rosenbaum, Proctor, Oliver, Stoddard, Bean, Carpey, Professor and Mrs. Olson.

Joseph Man in Jail.

Justice Bogs Sheets on Friday bound Harry Smith over to the grand jury, under \$500 bonds. Being unable to furnish bail he was confined in the county jail, where he will remain until the May term of circuit court regulates the Joseph Herald. From the evidence it appears that a couple of months ago "Smithy," as he is familiarly known around town, went into the Michellod residence and took from August Luseur's clothing a gold watch and chain, valued at \$35 or \$40. He sold the stolen jewelry to Frank Victor, employed at the McCully & Rumble feed yard, for \$4. Mr. Luseur learned about the deal and found that it was his property and Smith's arrest followed. "Smithy" had been employed as cook at various sheep camps in this county for several months and posed as a lightweight prizefighter.

Get Returns by Wireless.

Basketball returns will be flashed from La Grande to the Baker Y. M. C. A. Saturday night by wireless. The longest call made this month from the wireless apparatus at the Y. M. C. A. which is conducted by Fred Small and James Romig, was made last night.
