He writes: "Dr. King's New Discovery ought to be in every family; it is certainly the best of all emetics for coughs, cold, or lung trouble." Good for children's coughs. Money back if not satisfied. Lunches will be provided by the ladies in baskets or boxes and these will be sold to the highest bidder, but a limit will be placed so that no one can bid more for a basket than a lunch at a cafe for two would cost.
