

SWACKHAMMER HAS PNEUMONIA

Union, Feb. 24.—(Special.)—It is reported that S. O. Swackhammer is quite ill with pneumonia in a hospital in Los Angeles. His wife left in response to a telegram to her announcing his serious condition. His son is a medical interne at the hospital where Mr. Swackhammer is confined.

Ed. Parker has bought the John Moore blacksmith shop from Mr. Hill and will open up a shop there in a short time. He will do all kinds of blacksmith work.

Mrs. Pearl Chadwick has bought the Craig Springs. Mr. and Mrs. Chadwick have lived for some years on this place and thought so much of it that they finally purchased it. It has both hot and cold springs on it and joins the Union Junction.

The North Powder basketball team met the second Union team of the Union high school at the Yorgason hall last Saturday night. The teams are quite evenly matched as to size and weight. The first half the score stood 3 to 2 in favor of Union. In the last half the Union boys ran the score up and at the end of the game the score stood 14 to 6 in favor of Union. The Union forward, Jones, did some very wild shooting at the basket or the score would have been larger in favor of the home team. Less grand stand plays would add to the efficiency of the Union forward.

Spring seems to be with us and the bottom has dropped out of the road and there is mud everywhere. In some places the roads are almost impassible. We will welcome the day when we have good roads and when one is out with a buggy and team they will not drop out of sight in the mud.

The teachers' institute that was held in Union Saturday was a fine success. A number of teachers from other towns were present and had the pleasure of listening to a fine program. Some of those on the program were not present on account of sickness. All those present had a good time and will be glad when we can have another institute in Union. The efforts put forth by Superintendent Smith and his corps of teachers for the entertainment of the visitors were successful.

John Burdette and family of Cove,

have moved to the ranch of Dr. Law near North Powder and will run it for Mr. Law for the spring. The owner is planning to have the Powder river bridged in front of his place besides other improvements to be made on the place this season.

WEALTH OF HAIR

Parisian Sage Makes Thin Lifeless Hair Soft and Abundant.

Beautiful hair, fluffy, lustrous, abundant, and free from dandruff, is one of woman's greatest charms—it's her main delight—yet so many of the fair sex have streaked, thin and lifeless hair, and think there is no remedy. Beautiful hair is largely a matter of attention. Parisian Sage frequently applied and well rubbed into the scalp works wonders. Try it today, and you will be surprised with the result—not only will the hair become abundant, soft, fluffy, radiant with life, but really doubly beautiful.

Parisian Sage supplies hair and scalp needs. It surely removes dandruff with one application, stops itching head and cleanses the hair of all dirt and excessive oil.

All drug and toilet counters sell Parisian Sage in fifty cent bottles. Look for the trade mark—"The Girl with the Auburn Hair." Try at least one bottle from Newlin Drug Company. They will refund the money if you are not satisfied.
