

LANDMARK AT COVE RAZED

Cove, Ore., Feb. 23.—(Special).—Another of Cove's old landmarks was destroyed when the old McDaniel house, owned by T. J. Ryan, was burned to the ground. The fire was caused by electric wires and was first noticed about 6:30 Friday morning. Everything was saved out of the house. The house was built about 40 years ago by E. P. McDaniel and he continued to live there until about 12 years ago.

Miss Eva Wilson arrived in Cove Friday night; while here she will visit at the home of Neva Robinson.

FOR SALE—NEAR COVE.

On account of old age and poor health, I will sell my fine 200-acre farm, known as the Grande Ronde Orchard farm, either all together or part of it in tracts of 40 acres and up, as follows: One 40 north side,

half of which is set to the Delicious variety of apples, three year old trees, the other half is in fine timothy and a few acres of plow land. This 40 for all cash down can go for \$115 per acre. One 40 facing on county road; nearly all in four year old commercial apples, some land ready for grain, and grain or garden or clover can go between trees; this 40 for \$125 per acre, \$3000 cash down; and one 40 also facing on county road, all in five year old commercial apples, and alfalfa, for \$125 per acre, half cash down; or the whole 200 acres for \$24000, \$10,000 down, balance terms at 7 percent interest. We might consider nicely improved residence property in La Grande or Portland, up to \$3000 or \$4000, if all the farm is taken together and \$10000 cash down, good terms on balance. This farm is all of deep, black, sub-irrigated loam soil, with no waste land on it and lays fine for plating into small tracts. There are fine springs, a flowing well, buildings, shade, a full bearing family orchard of apples, pears, peaches, plums, prunes, cherries, berries, etc. and all kinds of grain including corn, also tender vegetables such as beans, tomatoes, melons, celery, etc., has been raised in abundance there. Anyone wanting any of this land with the young orchards left on it had better not delay for they will nearly all be plowed out by March 1, and the land seeded to grain.
