

Marvels of Compound Interest

John D. Rockefeller is sometimes called the American billionaire. Kind reader, had Henry Hudson invested \$25 three hundred years ago, the year after he discovered the river which bears his name, at 7 per cent interest, compounded annually, the amount would now be more than a BILLION DOLLARS. For more than twenty years we have made from six to NINE per cent on small monthly savings. We issue certificates to men, women and children. 25 cents per day put away for a boy or girl will educate them when they are ready for college. We teach the saving habit. LENT THEME OF SERMONS

EASTER MUSIC AND SERVICES PROMISES MUCH.

Annual Easter Abstinence Going On Among Various Denominations.

Lent has ushered in a general cessation of amusement, of dancing, theatre going and in all churches the great object of self denial has become the chief theme for sermons. For some of the denominations of the city abstinence from food has likewise entered into a proper observance of the lenten season, and flesh meats will be allowed only in restricted quantities. Special services, conducted by pastors and ministers from other cities will be on the program of some of the churches, and the forty days prior to Easter which falls on April 12th, will be a time of preparation for this great feast of Christendom. Special musical programs have been arranged and training of these will keep all of the choirs busy until then.

Juvenile Choir to Sing.
The vested juvenile choir of the Methodist church will make its second appearance Sunday evening, rendering numbers in conjunction with the regular music for the evening services.

Before I had taken half the package the distress was gone and I have had no trouble since. I would not take a thousand dollars and be back in former condition."

When you buy Foley's Honey and Tar Compound because just a few doses stops the cough and heals the cold, one bottle lasts a long time, and the last dose is as good as the first. Mrs. S. S. S. 20 Van Buren Street, Kingston, N. Y., says: "Father had lagrippe and his cough was some-

thing terrible and he could not sleep. Foley's Honey and Tar Compound not only stopped his coughing, but it brought back my voice to me after a severe case of bronchitis and laryngitis."—Adv. Hill's Drug Store.
