

# ALICEL PUT IN DRY LIST

ORDER YESTERDAY INCLUDED ALICEL PRECINCT.

Only One Saloon in the Five Precincts Declared Dry.

Alicel precinct is fully as dry as Cove or as Imbler, or Hot Lake and La Grande No. 5. Late yesterday the county court issued its order making dry the precincts named, on the strength of dry votes in the last election when the question was an issue. The precincts named voted dry but failed to notify the county court at the time, and no edict was issued at the time ordering the precincts officially dry. All believed that when the county voted wet it made all precincts in it wet, but the home rule bill provides otherwise. Cove's saloon was closed forthwith but the order had no immediate effect in La Grande No. 5, Hot Lake, Alicel or Imbler, as there have been no saloons in these precincts in recent years.

### LESS DYSPEPSIA NOW —HERE'S THE REASON

The fact that there is less dyspepsia and indigestion in this community than there used to be is largely, we believe, due to the extensive use of Rexall Dyspepsia Tablets, hundreds of packages of which we have sold. No wonder we have faith in them. No wonder we are willing to offer them to you for trial entirely at our risk.

Among other things, they contain Pepsin and Bismuth, two of the greatest digestive aids known to medical science. They soothe the inflamed stomach, allay pain, check heartburn and distress, help to digest the food, and tend to quickly restore the stomach to its natural, comfortable, healthy state.

There is no red tape about our guarantee. It means just what it says. We'll ask you no questions. Your word is enough for us. If Rexall Dyspepsia Tablets don't restore your stomach to health and make your digestion easy and comfortable, we want you to come back for your money. They are sold only at the 7,000 Rexall stores, and in this town only by us. Three sizes, 25c, 50c, and \$1.00. Hill Drug Co.—Adv.

### A Strong Endorsement.

W. H. Holmes of the Decorah, Ia., Journal says: "I have been a sufferer from Piles and Hemorrhoids for years. I got no relief until my druggist recommended Meritol Pile Remedy. Before I had taken half the package the distress was gone and I have had no trouble since. I would not take a thousand dollars and be back in former condition."

## LA GRANDE BOY IN HERO ROLE

Dealing with students affairs, the Oregon Emerald, published at the University of Oregon, touches upon the activities of two La Grande students. The hero role is played by Henry Heidenreich, track, glee club and football player, according to the following:

"Jack-the-Grabber, came the nearest to being bagged Wednesday night of any time in his long career. Henry Heidenreich, a junior in the University, was going homeward last night at about 10:30. A block away, on Twelfth street, he heard screams. Heidenreich cut through the lots that lie between Eleventh and Twelfth streets. Two girls, at the corner of Twelfth and Hilyard, had just met Jack-the-Grabber. They screamed again when Heidenreich approached them. But he soon made it clear that he was not Jack returning.

"He escorted the girls home and then started back upon a systematic search for Jack-the-Grabber. On Fifteenth street he found Jack hiding behind a tree scarcely 100 feet away. Heidenreich stalked him, but Jack saw him, and leaping over a hedge, darted away with Heidenreich in hot pursuit and gaining at every stride.

"By this time the neighborhood was aroused, and people were throwing their windows open.

"Jack had the advantage of knowing the ground. He suddenly disappeared, apparently having ducked into the shadows. Search was futile in the darkness.

"Heidenreich describes Jack as being a small man wearing a derby. He did not have on the customary raincoat."

**The Skin and Not the Blood.**  
Until recently it has been a generally accepted theory that eczema was a disease of the blood. Scientists have taught us that eczema is positively a skin disease and curable through the skin alone. Meritol Eczema Remedy is applied directly to the diseased skin. Do not delay trying Meritol Eczema Remedy.
