

CARPETS! CARPETS! CARPETS!

Saturday March 7th is Carpet Day

at our store. At a large expense we have secured the entire line of Bigelow carpets which is without question the finest line made in America. We will feel that our efforts are lost if the ladies of La Grande and Union county don't call to see this beautiful line. We want you to see them. You do not have to buy or to want a carpet. We are anxious that you should see them. You have never had an opportunity like this and you can not afford to miss it.

WEALTH OF HAIR

Parisian Sage Makes Thin Lifeless Hair Soft and Abundant.

Beautiful hair, fluffy, lustrous, abundant, and free from dandruff, is one of woman's greatest charms—it's her main delight—yet so many of the fair sex have streaked, thin and lifeless hair, and think there is no remedy. Beautiful hair is largely a matter of attention. Parisian Sage frequently applied and well rubbed into the scalp works wonders. Try it today, and you will be surprised with the result—not only will the hair become abundant, soft, fluffy, radiant with life, but really doubly beautiful.

Parisian Sage supplies hair and scalp needs. It surely removes dandruff with one application, stops itching head and cleanses the hair of all dirt and excessive oil.

All drug and toilet counters sell Parisian Sage in fifty cent bottles. Look for the trade mark—"The Girl with the Auburn Hair." Try at least one bottle from Newlin Drug Company. They will refund the money if you are not satisfied.
