

MISSION WEEK OPENS SOON

MEN AND WOMEN OF CATHOLIC CHURCH URGED TO ATTEND.

Mrs. Carl, Reader, to Appear in Baptist Church Sunday.

Two weeks of mission is the schedule mapped out for the lenten season at the Catholic church. The first week will be devoted exclusively to women when the duties of the Catholic young women and mothers will be the subjects of serious concern. Their relation to society, their influence in the state and the best methods to promote the welfare of all will come in for weighty consideration. Then follows a week for men only, when the problems peculiar to men will be elucidated by the learned missionary of the diocese. Later in the season a mission for non-Catholics will be given, when those interested in the teachings of the mother church will have an opportunity to hear her teachings expounded by able and fair-minded men. The mission begins March 22.

Contest Closes Sunday.

Sunday evening the result of the contest for new members in the Epworth league, which has been going on for several weeks will be announced. Last evening there were 145 present. The league has been growing at a rapid rate since the occupation of the new church.

The captains were Alfred Christensen and W. F. Ashmead, and the losing side is to prepare a banquet and a program to be given in the basement of the church.

Not only have the congregations been doubled under the leadership of Dr. Fyke, but all departments as well. Last Sunday there were present at the Sunday school 219, as against 125 a year ago. Dr. Brown-ton is superintendent and is enthusiastic in his work. The primary department under the superintendency of Mrs. H. M. Haviland, has made a remarkable growth since she has had sufficient room to handle her class. Last Sunday she had 76 little folks in her class.

Tomorrow evening in the absence of Dr. Fyke, the choir will give a special musical program, supplemented by congregational singing of well known old time favorite hymns.

Portland Speaker in Baptist Pulpit. Sunday evening, Mrs. Linnie Carl of Portland, will occupy the Baptist pulpit. Mrs. Carl is well known throughout the northwest as a dramatic reader, humorist, and temperance lecturer. Wherever she has spoken, the audiences have been delighted with her, it is said.

During the service, Mr. Carl will use the stereopticon, throwing on the screen views which he has taken in the slums of the large cities as well as other interesting and instructive cartoons.

The evening worship will be opened with a baptismal service, the pastor, Rev. R. E. Close, officiating.

FOREST NOTES.

Canada has 23 million acres in timber reserves, as compared with 187 million acres in the national forests of the United States.

Apple wood is the favorite material for ordinary saw handles, and some goes into so-called brier pipes.

New Jersey has a timbered area of about two million acres, on which the timber is worth about \$8,500,000 on the stump. It is mainly valuable for cordwood.

Many of the forest fires attributed to railroads are caused not by sparks from locomotives, but by cigar and cigarette butts thrown from smoking-car windows.

Port Orford cedar of the Pacific coast, recently tried as a substitute for English willow in the manufacture of artificial limbs, has been found unsatisfactory. While it is light enough it is too coarse and brittle.

As an experiment, the supervisor of the Beaverhead national forest is stripping the bark from the bases of a number of lodgepole pine trees at various periods before they are to be cut for telephone poles. This girdling causes the trees to exude resin, and it is desired to find what effect this may have as a preservative treatment for the poles.

A Strong Endorsement.

W. H. Holmes of the Decorah, Ia., Journal says: "I have been a sufferer from Piles and Hemorrhoids for years. I got no relief until my druggist recommended Meritol Pile Remedy. Before I had taken half the package the distress was gone and I have had no trouble since. I would not take a thousand dollars and be back in former condition."

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular and attended by pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this La Grande citizen:

Mrs. Isa Triplett, 1307 Jackson ave., La Grande, Ore., says: "About a year ago I had a spell of kidney trouble. It started with pain in my back, together with irregular action of my kidneys. My back got lame and sore, and for several weeks it was hard for me to get around. I had heard about Doan's Kidney Pills and began using them. They gave me good relief from the first and soon rid me of the trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Triplett had. Foster-Milburn Co., Props., Buffalo, N. Y.

ANNOUNCEMENT OF CANDIDACY
