PARENTS HOLD GOOD SESSION

SPEECHES DELIVERED TO PARENTS LAST NIGHT.

Central School Parent-Teachers' Association in Session.

The Parent-Teachers' meeting of the Central school building last night was well attended. The high class of the addresses made by Dr. Hall on "School Sanitation" and by Mr. A. S. Geddes on "Discipline in the Home and the School," characterized the meeting as one of the most fruitful so far held. Vocal solos were offered by C. P. Ferrin and E. N. Strong of Portland.

Interest in the work of this movement is growing and parents are beginning to see the possible fruits of these gatherings. Some of the teachers have seen the parents of their children for the first time and have just now begun to decipher some of the problems that seemed difficult. Their co-operation is said to be one of the most helpful aids to the proper understanding of the child's mental machinery, and likewise aids the teachers to come in to closer feeling through acquaintance with the parent.

The membership in the Central school has grown to 80 members and is gradually nearing the hundred mark. Not many families are outside of the organization, and the work of the school and membership committee appointed last night will aid in making the organization a solid unit before the close of the present school year. Parents have begun to make suggestions to the teachers and the officers of the organization and in this way they will be spurred on to further efforts by knowledge of the fact that they are having an actual hand in the affairs of their own school. As one of the members expressed it, "The parents are beginning to realize in a practical way that the school is theirs and will, as soon as they understand the full import of the movement make the most of the opportunity to advance the good of their children. The movement has taken firm root and will in the waning months of the present year, place the organization in the best position to start the coming year with much experience and enthusiasm."

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

BROWN COMPANY POPULAR

SECOND NIGHT IN LA GRANDE DRAWS MANY.

Athletic Contests are Big Attractions. Being Really Funny.

The Frank M. Brown musical comedy company presented a very funny face "Jerry" last night to two good houses and the playlet was full of clean funny comedy and was well received. The song numbers were all late popular selections and the singing and dancing of the chorus and the pretty costumes were quite a pleasing part of the evening's entertainment.

The athletic contest at the close of the show consisting of boxing, nail driving and wood sawing, indulged in by the girls was greatly enjoyed and as the girls are all vying with each other in an endeavor to win the several prizes there wasn't a dull moment and the fun was greatly enjoyed.

Tonight is the regular chorus girls' contest, and each member introduces her own specialty and the audience is the judge. There are three prizes to be contested for.

Tonight's bill, "An Old Man's Darling," is one of the best the company presents and is full of laughs from start to finish.

I hereby announce myself as a candidate for County Judge of Union county, subject to the votes of the Republican party, at the coming primaries. Should I be nominated and elected I would give the office my entire time. I believe in good county roads but favor permanency in construction. I believe in retrenchment along all lines of county expenses so far as practicable. Adv. W. W. RANDALL.
