LEAGUE LEADERS TRIMMED.

Van Fleet's Team Gets Best of "Rats" In Sensational Match.

League Standing.

	Won	Lost	Per C.
Billikins	11	7	611
Alley Rats	9	6	600
Nans Pets	10	8	555
Webfoots	3	12	250

In a match replete with sensational shots and all sorts of fancy bowling, the team of Van Fleet's conquered the league leading Billikins last night on the Club alleys. The games were all interesting and on the sensational order, and were never settled until the last frame was over. The Billikins were handicapped by the absence of Captain Scott, McLeod and Zimmerman, but showed to good advantage with a patched up lineup. Had the regulars been on the job the result would no doubt have been different. Crowe starred for the Pets, shooting two games over 200, while Farrar of the Billikins took high individual honors with 224. He also had high average, 197. Tonight the Webfoots, strengthened by the addition of H. T. Love, who has just returned from the east, will meet the Alley Rats, and a shakeup in the standings is liable to result.
