THIS NEW MEDICINE SAVES YOU MONEY

We are druggists right here in your town and make a living out of the drug business, but it is because people have to have drugs and not because we like to see people suffer—we don't. Our duty is to render the best service we can, and when someone is ailing, we are interested in seeing them take the best medicine there is for their particular trouble. We don't recommend "cure-alls," as we don't believe there are such things. We don't want you to spend more than you have to. Some of you get small wages, and when you're sick, none at all, and you should get the most you can for your remedy.

We recently came across a new remedy for increasing strength and building up people who are run-down and emaciated. We know that a slight trouble sometimes grows into a serious one, and to stop it in the beginning, will save you money in the end. This new compound is called Rexall Olive Oil Emulsion. It is the best remedy, when you are run-down, tired out, nervous—no matter what the cause. It doesn't merely stimulate you and make you feel good for a few hours, but takes hold of the weakness and builds you up to a healthy normal condition. It is a real nerve-food tonic and builder of good blood, strong muscle, good digestion. It contains Hypophosphites, which tone the nerves and pure Olive Oil, which nourishes the nerves, the blood and the entire system. Pleasant to take. Contains no alcohol or habit-forming drugs. We promise that if you are not perfectly satisfied with it, we'll give back your money as soon as you tell us. Sold only at the 7,000 Rexall drug stores, and in this town only by us. Hill Drug store.—Adv.

EVANS DUE SATURDAY

STATE GAME WARDEN WILL VISIT CITY.

Disposition of Elk Herd at Billie Meadows to Come Up the 12th.

State Warden Evans, recently appointed to the position, will be in La Grande about March 12, next Saturday. He will come to La Grande immediately after the meeting of the commission on the 12th at which time the future of the elk on Billie Meadows will be determined. It is planned that the elk herd be brought to Joseph Lake, or near there, instead of leaving them on the Meadows, many miles from Enterprise or Joseph.

Local fans are pretty well pleased over the selection of Al Lodell to captain the Buckaroo team during the coming season. They figure he is a known quantity and, while he may not prove a McCredie or a McGraw, neither will he develop into a fizzle.

Lodell took the job of pilot last year after McKune had been dispatched back to Portland. At the same time that Terry departed some of the best players were lost through various reasons and Lodell was given a makeshift team. He responded by instilling a fighting spirit into the remnants and was able to win as many games with it as did the high-priced bunch of the first half of the season. Lodell has plenty of baseball sense, is a most steady influence on first base and has always been the one man on the team who keeps up his pep and nerve in the face of hard luck and adversity.

Here's to Lodell, the big chief Buckaroo of 1914. Long may he ride!

BAND DANCE ON TONIGHT

HIGH GRADE CONCERT TO BE GIVEN FIRST.

Band Will Be Host to Its Friends at Dancing Party Tonight.

This evening, commencing at 8 o'clock, the La Grande band will give its introductory concert, paving the way for the dancing party to follow. The public is invited to attend both these functions. The band has prepared a very creditable program for the concert and several of the dance numbers that follow will be furnished by the entire band. The institution is shy some suits and uniforms for its new members and the returns from tonight's door receipts will be used to replenish the uniform stock, and to buy new music.

The Skin and Not the Blood.

Until recently it has been a generally accepted theory that eczema was a disease of the blood. Scientists have taught us that eczema is positively a skin disease and curable through the skin alone.
