HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray! Nobody can tell when you darken gray, faded hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. Adv.

DRINK CURE ESTABLISHED

MANAGER RECITES SUCCESS OF THE PAST.

La Grande Has Drink Cure Establishment that is Lauded.

La Grande has an institution for persons who cannot control their appetite for strong drink. Speaking of this institution Manager J. J. Burbridge said:

"The institution was recently instituted and has attracted attention of men who have heretofore tried to free themselves without success. I have in my possession scores of letters of recommendations from business and professional men of Ontario, Oregon, where I conducted this institute for a number of years, all of which letters testify to the effective cure administered in this institution. The claims of this institution that they guarantee a cure or no pay is in itself a surety that it must be in possession of some remedial agent that once for all destroys the craving for alcoholic narcotics, besides building up the system and enabling it to recover from the ravages of immoderate drinking. Some of the testimonials are pathetic, some coming from men of 70 years and more, from town officials who bear witness to the remarkable change in men of their community after taking the treatment. I was in Ontario a number of years and had occasion to become personally and well acquainted with its merchants and professional men, some of whom have written voluntary letters expressing the high regard in which the institution was held in the locality. It claims never to have failed in the treatment of any case brought to its rooms and willingly agrees to refund the price of treatment if the claim cannot be made good."

I hereby announce my candidacy for the office of coroner for Union county subject to the republican primaries. Long residence, knowledge of conditions and the legal knowledge in cases of deaths calling for a coroner's jury, fit me for this position. I have the endorsement of representative citizens of Union county. Honest service is my aim. J. M. HILTS, Mch 7-15-p
