To the Housewife.
Madam, if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are the most common of the minor ailments and are most likely to lead to serious disease. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds, you will find that Chamberlain's Cough Remedy stands high in the estimation of people who use it. It is prompt and effectual, pleasant and safe to take, which are qualities especially to be desired when a medicine is intended for children. For sale by all dealers.—Adv.

ALLEY RATS IN THE LEAD

TWO OUT OF THREE GAMES WON LAST NIGHT.

Cellar Champions Take on New Spirit and Go Out to Win.

In the city league games on the Club Alley, last night, the Alley Rats moved into first place by downing the Webfoots in two out of three games. All the boys rolled in fairly good form and the games were exciting and very closely contested. Harry Love added considerable strength to Williams' aggregation, and seemed to inspire the "Cellar Champions" with new spirit, and they went after the Rats like they meant to win.

There will be match games on the local alleys on Thursday and Friday nights. The boys have a great time at these matches, and the rooting is superior to that heard at a basket ball game.
