DIMICK SEEKS GOVERNORSHIP

Grant B. Dimick, candidate for Republican nomination for governor.

To the Legal Voters of Oregon:

I have filed my declaration with the secretary of state as a candidate for the republican nomination for governor, and as the law limits the expenditure of each candidate for this office to fifteen per cent of one year's salary, I am compelled in order to abide by the spirit and letter of the law to avoid making an expensive campaign, and in order to reach the voters whom I will not be able to meet in person, I herewith submit through the press for your consideration the following:

First: I stand for a strict and rigid enforcement of every criminal statute.
Second: I favor equitable labor laws giving to the labor just consideration.
Third: I am opposed to high and extravagant legislative appropriations and the constant creation of salaried boards and commissions which carry with them an army of employees to be paid by the taxpayers of the state.

Fourth: I stand for the constant improvement of our public school system free from extravagance, and should the supreme court of the United States declare a forfeiture of the lands now held by the Oregon & California railroad company, then and in that event I favor urging congress to place those lands at the disposal of the irreducible state school fund of Oregon.

Fifth: I stand for the permanent improvement of public roads from the market centers into the agricultural districts, the same to be built under skilled management, so as to get full value for the money expended.

Sixth: I favor a constitutional amendment allowing the governor to veto any one or more items in an appropriation measure without vetoing the entire measure.

High tax levies are usually the result of excessive appropriations and experimental legislation, and the most effective cure for that abuse is to be more careful in the selection of your legislative members.

I was born in Marion county, Oregon, March 4th, 1869, and was educated in the public schools, McMinnville College and the State Normal at Monmouth, Oregon; admitted to the bar by the supreme court in 1895; served five terms as mayor of Oregon City, three years as deputy district attorney, was elected presidential elector on the republican ticket in 1904 and county judge of Clackamas county in 1906. I am deeply interested in agricultural pursuits, own and manage the Dimick stock farm, and publish the Western Stock Journal at Oregon City. I submit my candidacy to the consideration of the republican voters of Oregon.

GRANT B. DIMICK.

Should I be nominated and elected I would give the office my entire time.
I believe in good county roads but favor permanency in construction.
I believe in retrenchment along all lines of county expenses so far as practicable.

The Skin and Not the Blood.

Until recently it has been a generally accepted theory that eczema was a disease of the blood. Scientists have taught us that eczema is positively a skin disease and curable through the skin alone. Meritol Eczema Remedy is applied directly to the diseased skin. Do not delay trying Meritol Eczema Remedy.
